IMMACULATE CONCEPTION  
HIGH SCHOOL  
ELMHURST, ILLINOIS

# In Our Hands Lies the Future of the World

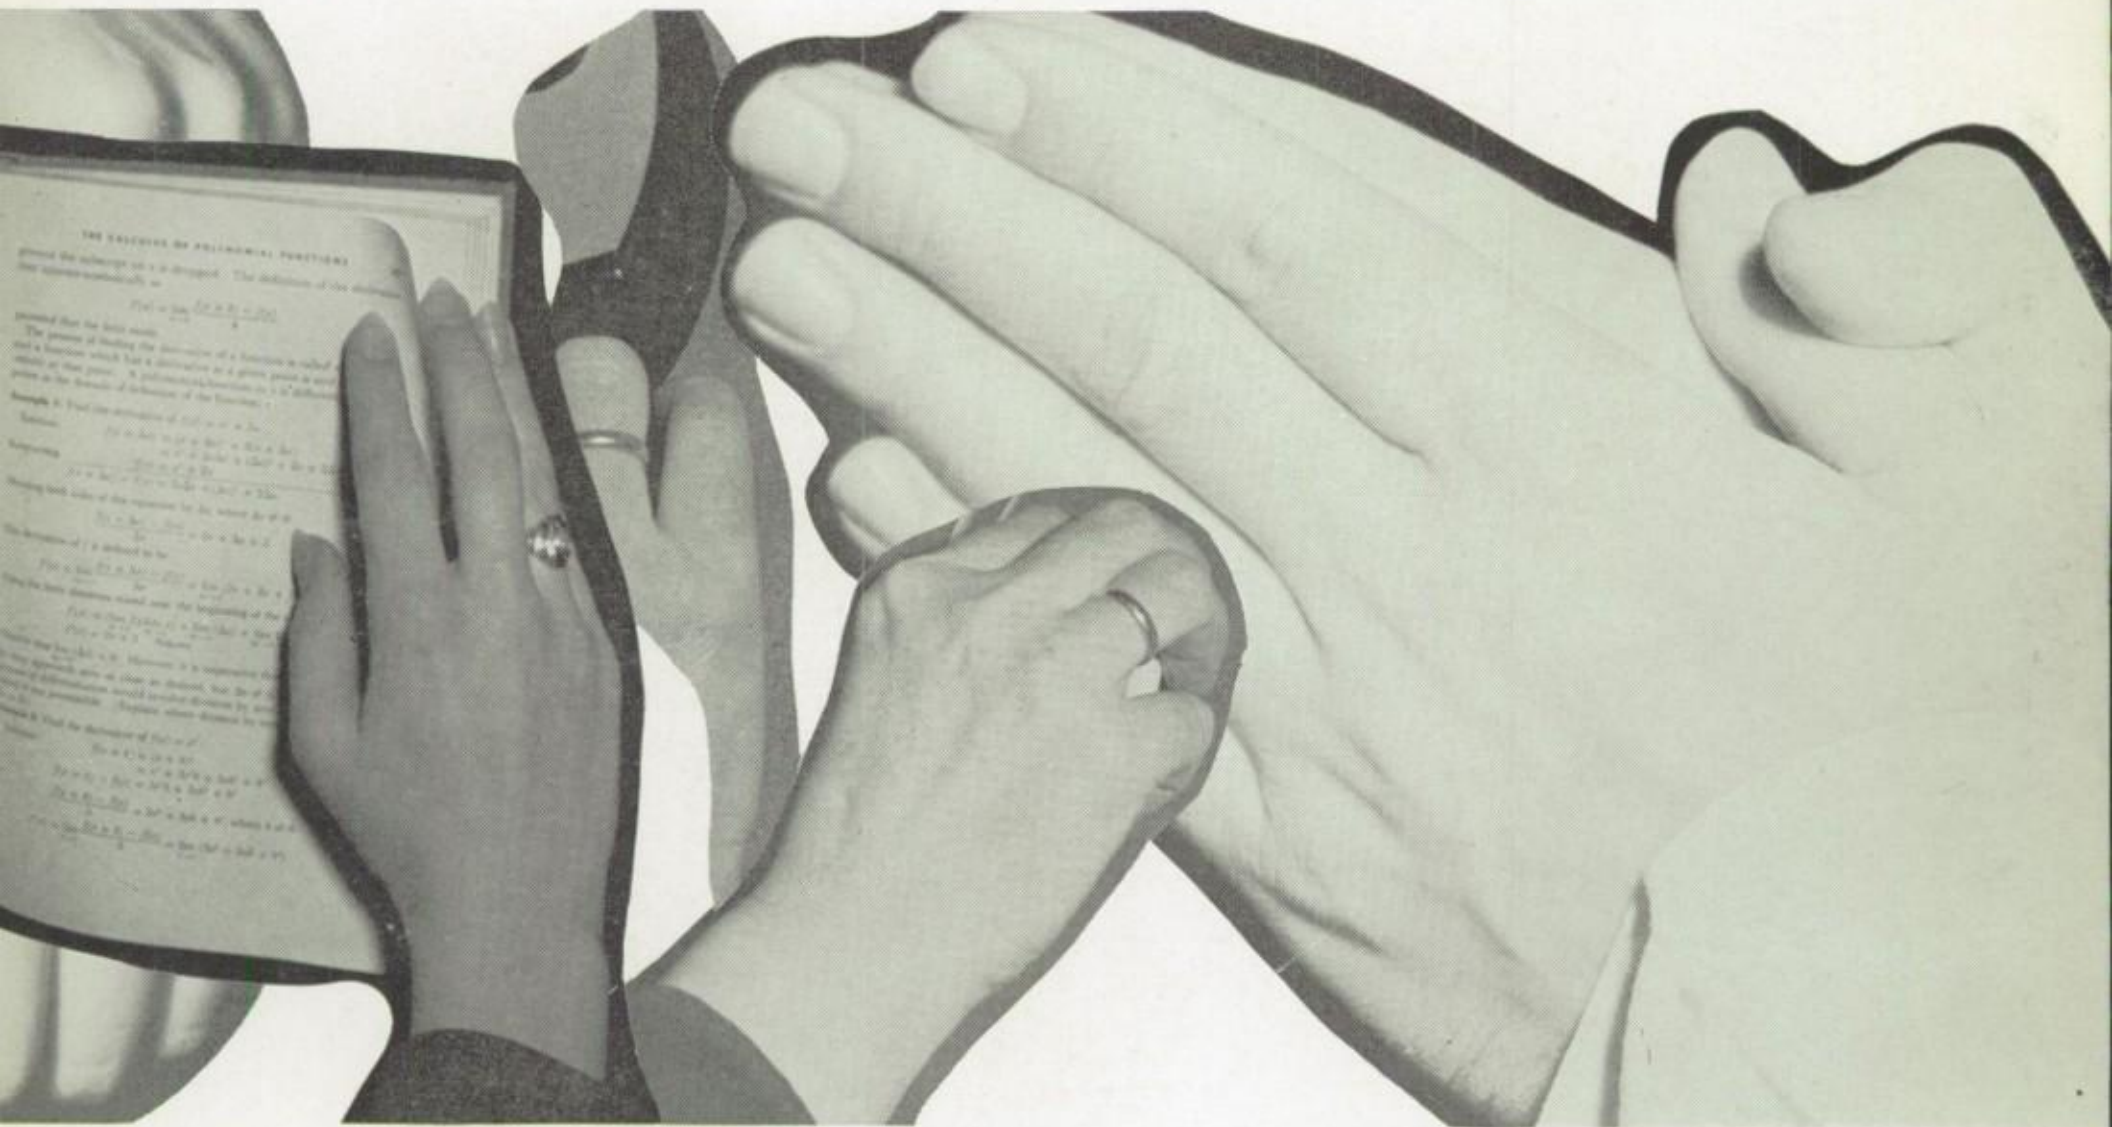

Hands folded in prayer—hands passing a football—hands writing a theme—hands applauding accomplishments—hands conditioning desks and floors—hands creating a work of art—hands clasped in friendship—hands outstretched to aid others—these are our hands. We have seen all attitudes in our four years—in prayer - in play - in work - the hands of I.C. were there. They are busy, intelligent, creative, prayerful hands. May the future hands of I.C. remain outstretched to make their imprint for now and eternity.

# Dedication

As the Class of '63 leaves, there is one person whom it will remember in a special way. These memories are shared by those particularly who have worked with her in and out of class. Her sincere interest and confidence in the students never fail to make their captivating imprint and impression on those who know her. As most of her time and effort is devoted to I.C. publications, and since our yearbook and newsmagazine owe their existence in large measure to her we of '63 dedicate this annual to Sister Alvis, CSA.

HIS HOLINESS  
POPE JOHN XXIII

WE PRAY THAT ALMIGHTY GOD PRESERVE AND GIVE HIM LIFE AND  
MAKE HIM BLESSED UPON THE EARTH AND DELIVER HIM NOT INTO  
THE HANDS OF HIS ENEMIES.

*(Litany of All Saints)*

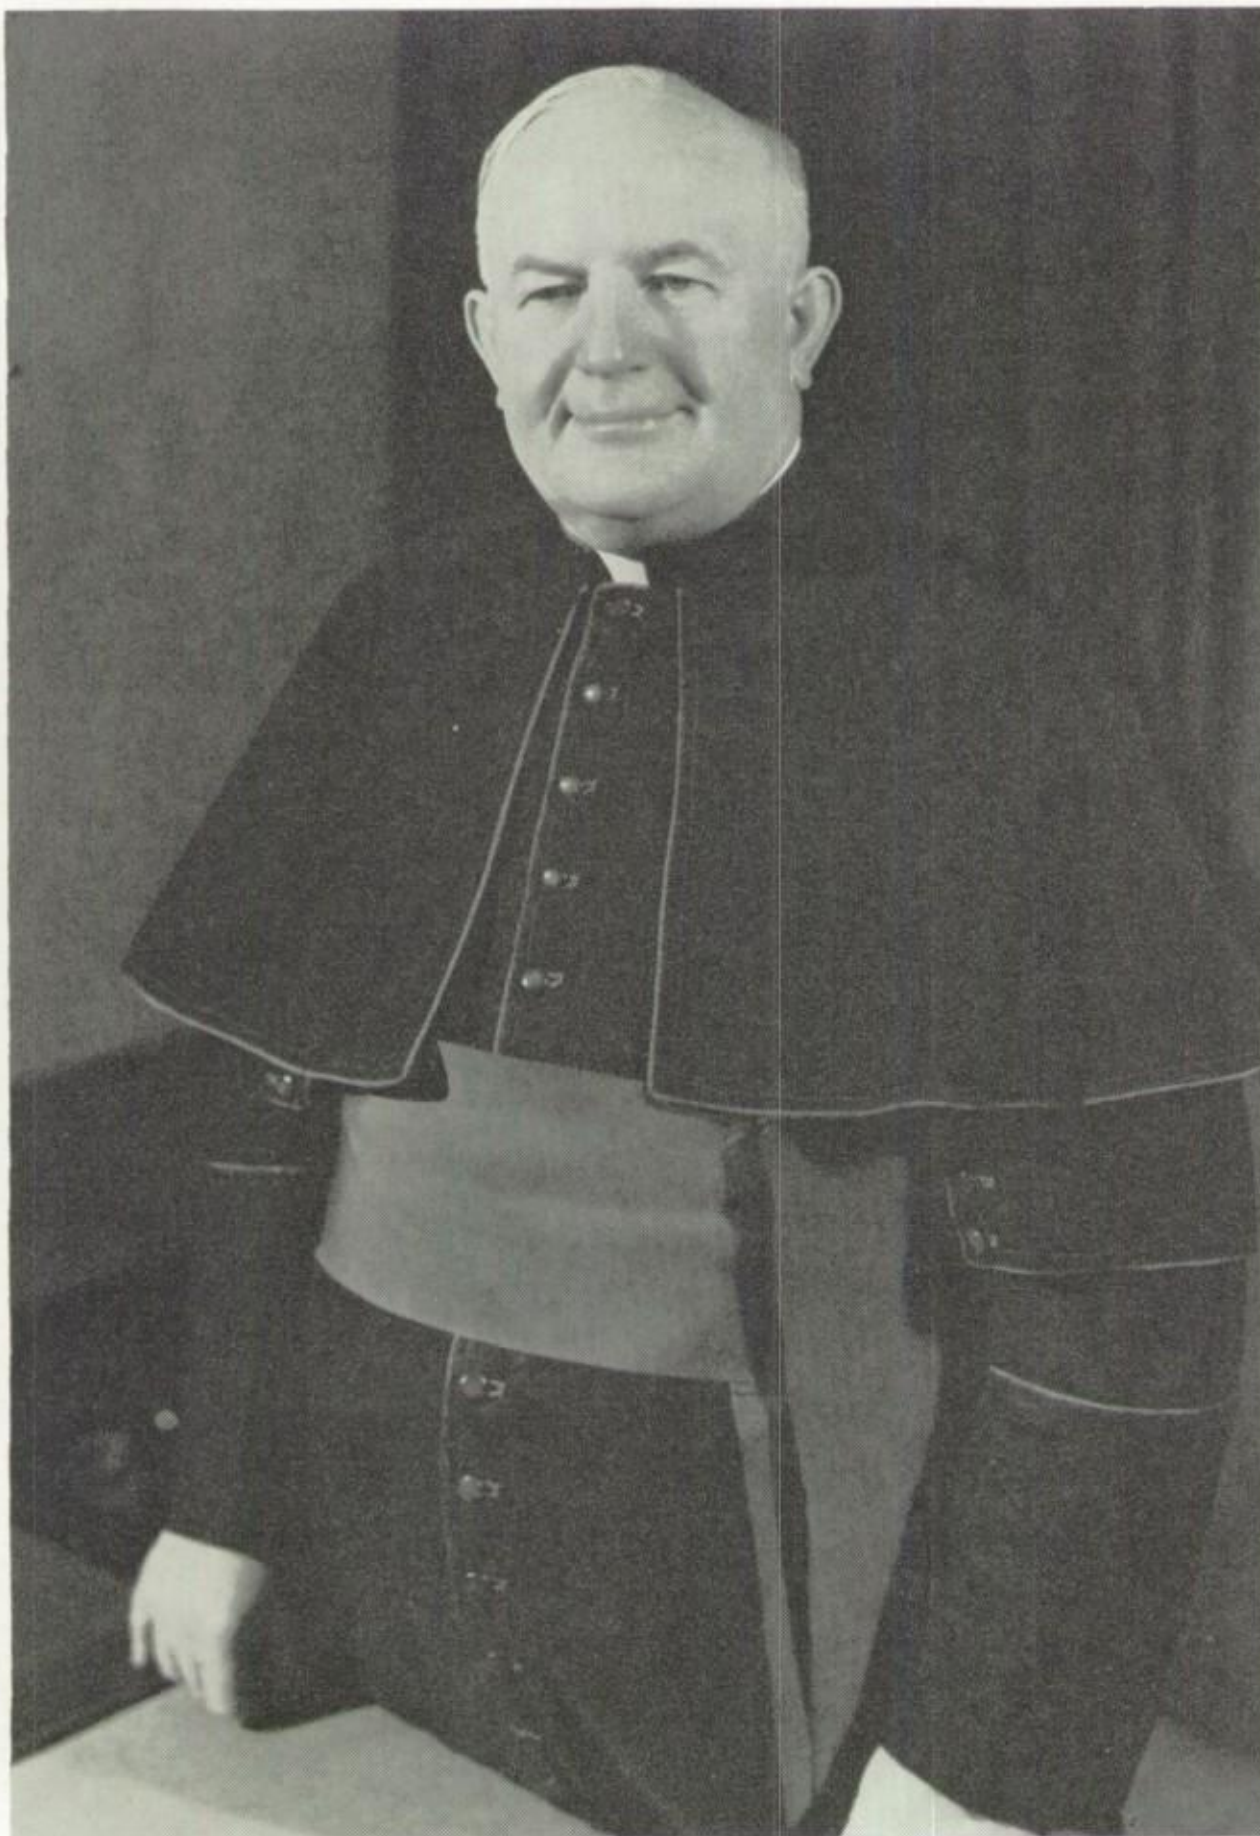

May God Whom he serves in his goodness and devotion, grant him days of merit and everlasting happiness.

Bishop McNamara presiding at Teachers' Conference at Immaculate Conception School, Elmhurst, Illinois.

His Excellency Bishop Martin D. McNamara bishop of Joliet in Illinois.

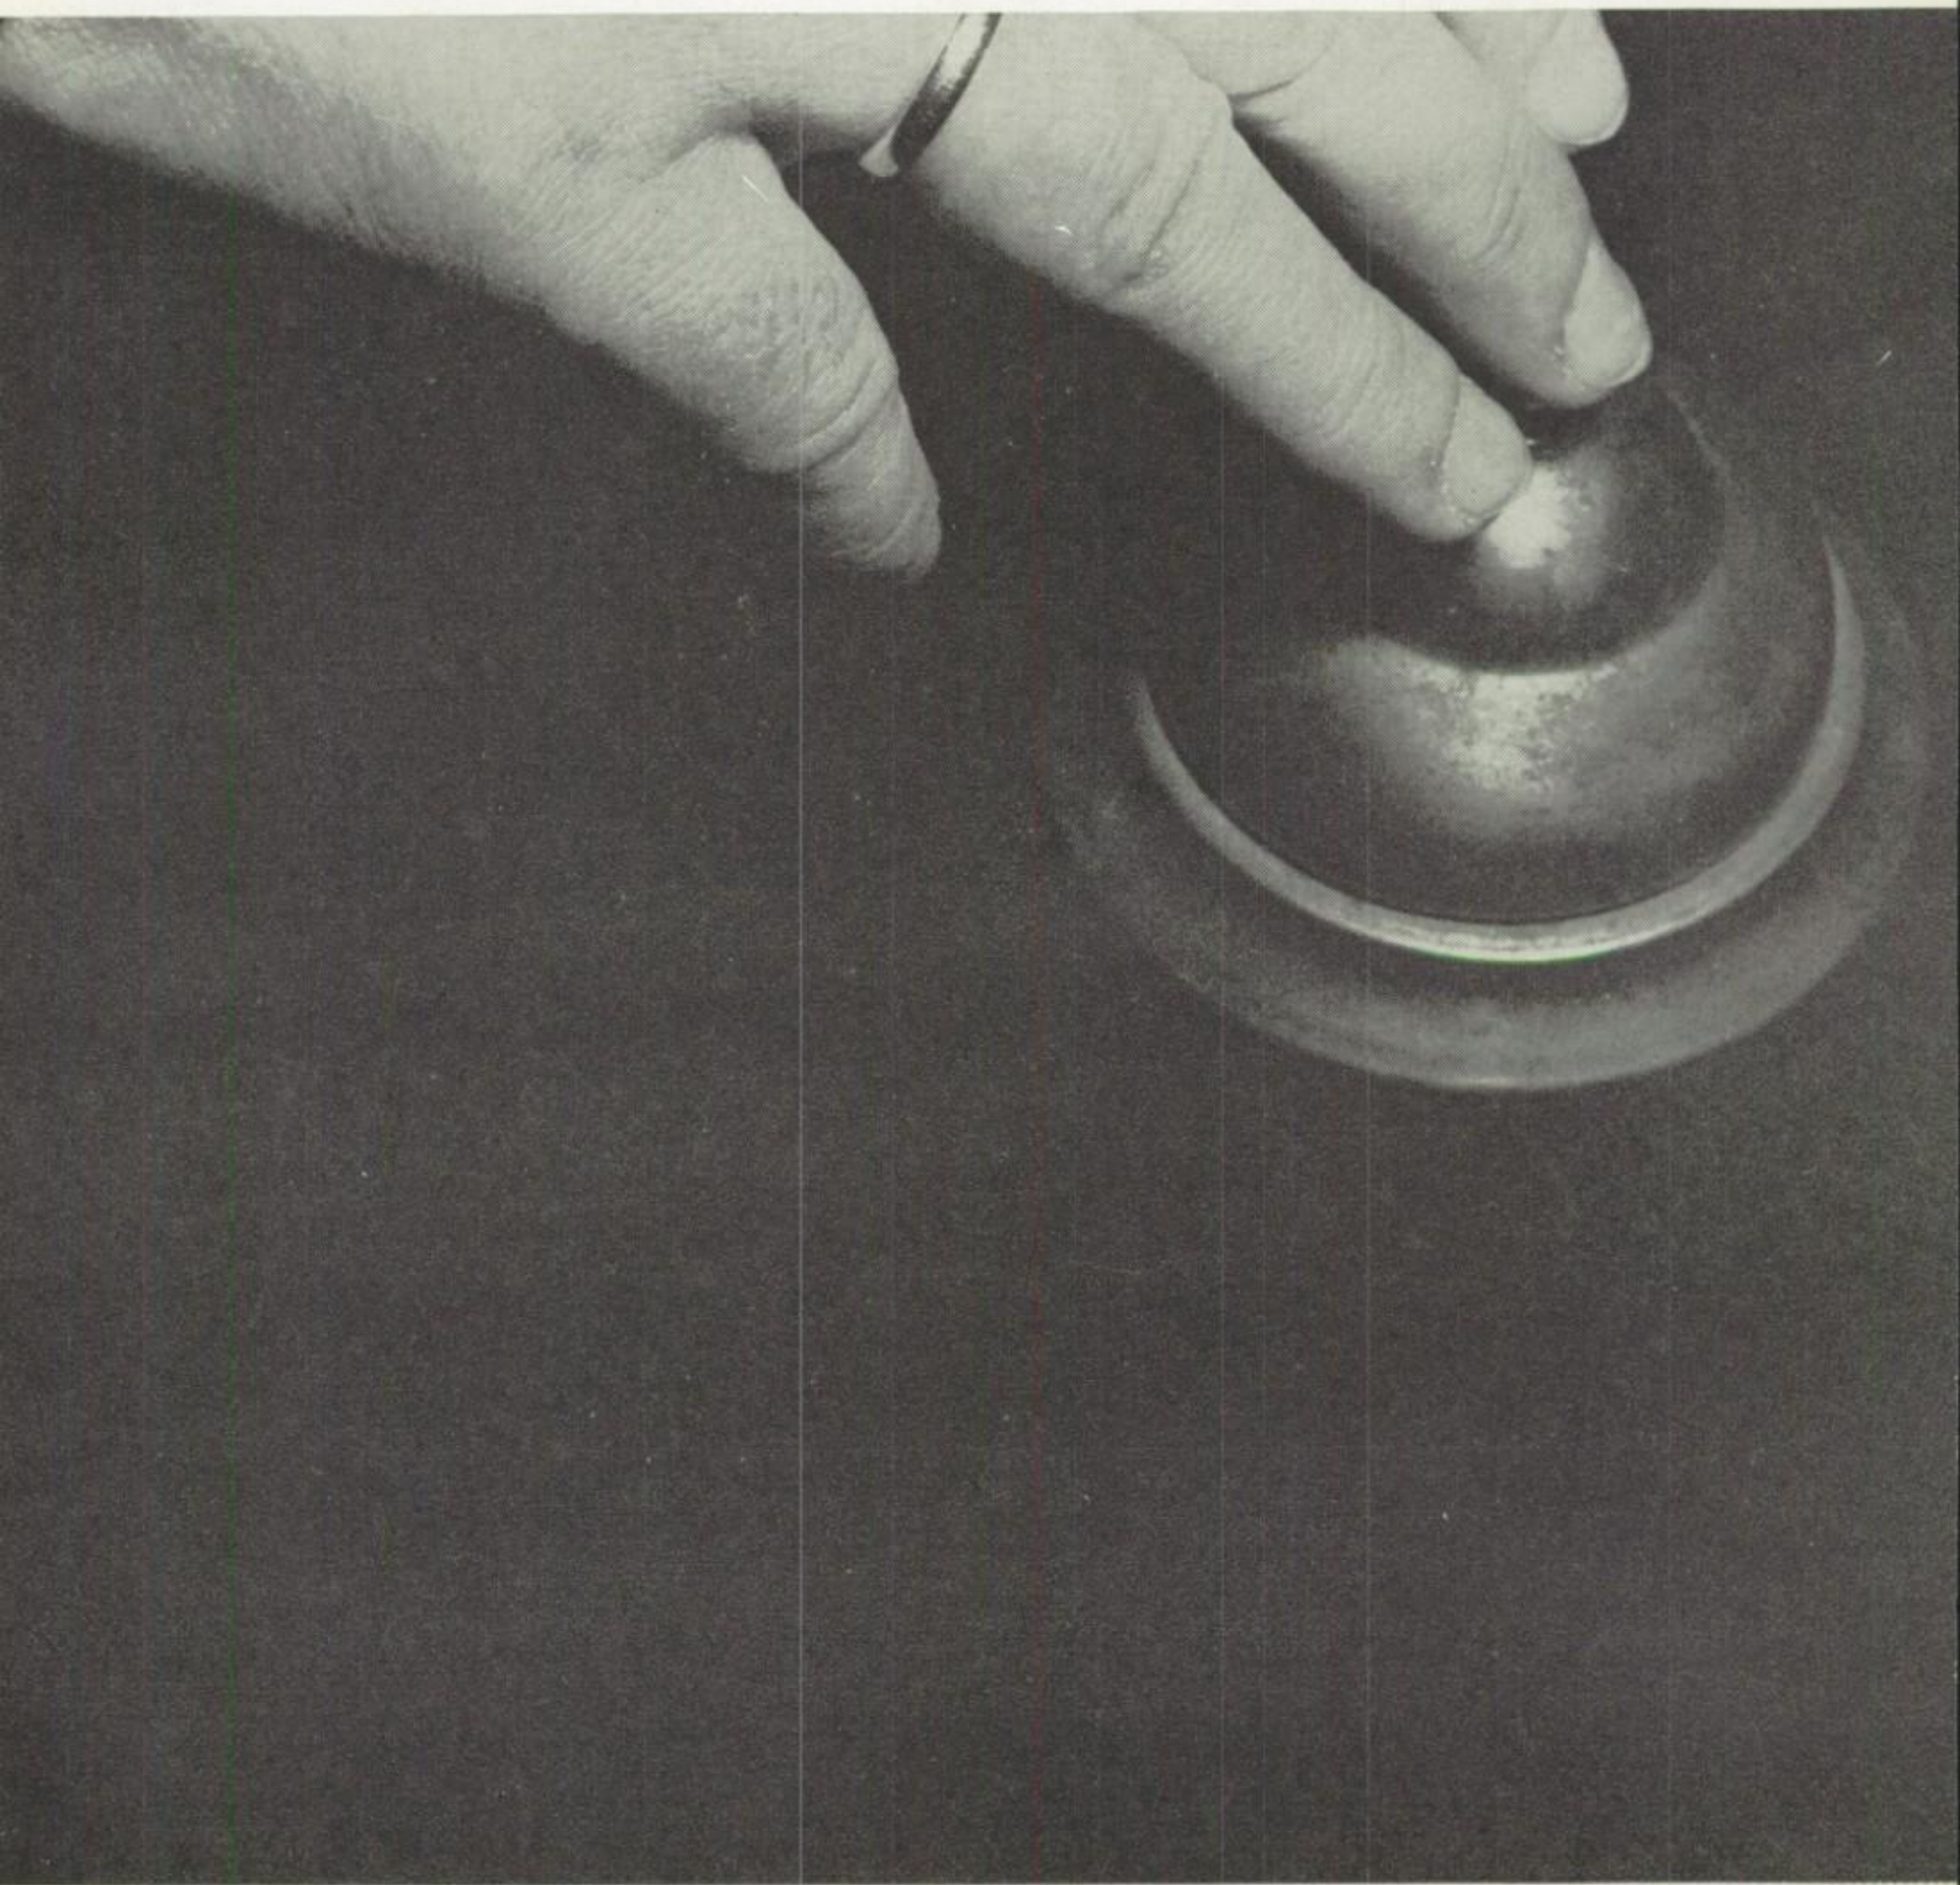

Monsignor William J. Plunkett

Pastor of Immaculate Conception Church for whom we pray that his unending effort and concern for his people be blessed with continued love and respect and may he share in a special way the reward of a zealous life spent in His work.

## FACULTY

Sister M. Marcile, CSA, principal of Immaculate Conception High School, to whom and for whom we offer sincerest thanks and gratitude for innumerable efforts in our behalf above and beyond those imposed by duty. May God Bless her always.

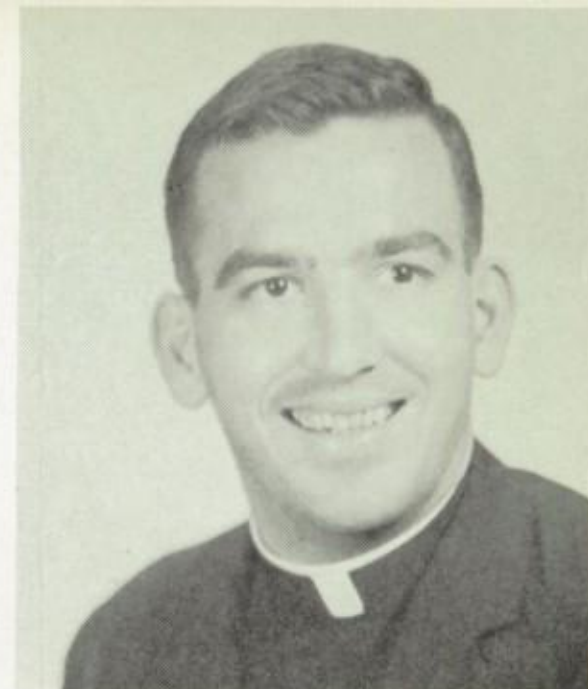

Rev. Thomas J. Kilroy

## Varsity Golf Schedule

### 1963

Tuesday	April 16	St. Mel (Columbus Pk.)	There	4:00 p.m.
Thursday	April 18	Ridgewood	Home	4:00 p.m.
Monday	April 22	Joliet Catholic	Home	4:00 p.m.
Tuesday	April 23	St. Joseph's	There	4:00 p.m.
Friday	April 26	St. Edwards	There	4:00 p.m.
Monday	April 29	Marmion	Home	4:00 p.m.
Friday	May 3	St. Joseph's	Home	4:00 p.m.
Monday	May 6	Marmion	There	4:00 p.m.
Tuesday	May 7	Fenton	Home	4:00 p.m.
Thursday	May 9	St. Viators	There	4:00 p.m.
Saturday	May 11	District (State)		
Monday	May 13	Marmion	There	4:00 p.m.
Tuesday	May 14	Marian (Chicago Heights)	Home	4:15 p.m.
Thursday	May 16	St. Edwards	Home	4:00 p.m.
Friday	May 17	State Finals		
Monday	May 20	St. Procopius	There	4:00 p.m.
	May	Conference Meet (Date to be arranged)		

Pastor: Msgr. William Plunkett

Principal: Sister M. Marcile

Athletic Director: Pete Schmit

Golf Coach: Robert Shields

Home Meets to be held at The Glendale Country Club — on Lake St. in Medinah

$x_0$	$x_0 + \Delta x$	$\Delta x$	$f(x_0)$	$f(x_0 + \Delta x)$	$\frac{\Delta y}{\Delta x} = \frac{f(x_0 + \Delta x) - f(x_0)}{\Delta x}$	$\frac{dy}{dx}$
2	3	1.0	4	9	5	5
2	2.5	0.5	4	6.25	2.25	5
2	2.2	0.2	4	5.04	0.94	5
2	2.1	0.1	4	4.41	0.41	5
2	2.01	0.01	4	4.0401	0.0401	5

Rather than calculate  $\frac{\Delta y}{\Delta x}$  from the values shown in the table, we can determine the average rate of change for each interval by the limit approach:

$$\begin{aligned} f(x) &= x^2 \\ f(x + \Delta x) &= (x + \Delta x)^2 \\ &= x^2 + 2x\Delta x + (\Delta x)^2 \\ f(x + \Delta x) - f(x) &= 2x\Delta x + (\Delta x)^2 \\ \frac{\Delta y}{\Delta x} &= \frac{f(x + \Delta x) - f(x)}{\Delta x} = 2x + \Delta x \end{aligned}$$

For  $x = 2$  and  $\Delta x = 0.01$ , we have  $f(x_0) = (2)^2 = 4$  and  $f(x_0 + \Delta x) = 4.0401$ . Hence  $\frac{\Delta y}{\Delta x} = \frac{4.0401 - 4}{0.01} = 0.0401 = 4.01$ .

We have considered  $\frac{\Delta y}{\Delta x}$  for the function defined by the equation  $y = x^2$ . Let us generalize and consider the function defined by  $y = f(x)$ , where  $f$  is a polynomial function in  $x$ .

$$\begin{aligned} y &= f(x) \\ y + \Delta y &= f(x + \Delta x) \\ \Delta y &= f(x + \Delta x) - f(x) \\ \frac{\Delta y}{\Delta x} &= \frac{f(x + \Delta x) - f(x)}{\Delta x}, \quad \Delta x \neq 0 \end{aligned}$$

Let  $x_0$  be a fixed value in the domain of definition of the function and let  $\Delta x$  be a variable. The fundamental definition of differential calculus is:

**Definition:** The derivative of the function  $f$  at the number  $x_0$  in the domain of definition of  $f$  is equal to

$$f'(x_0) = \lim_{\Delta x \rightarrow 0} \frac{f(x_0 + \Delta x) - f(x_0)}{\Delta x}$$

The function denoted by  $f'$  is called the derivative of  $f$ . For any real number in the domain of definition of a polynomial function  $f$ , the derivative exists. Thus the domain of  $f'$  is the set of all numbers which are in the domain of  $f$ .

Frequently it is convenient to use the symbol  $h$  rather than  $\Delta x$ , and to

general the subscript on  $x$  is dropped. The definition of the derivative then appears symbolically as

$$f'(x) = \lim_{h \rightarrow 0} \frac{f(x + h) - f(x)}{h}$$

provided that the limit exists.

The process of finding the derivative of a function is called differentiation, and a function which has a derivative at a given point is said to be differentiable at that point. A polynomial function is differentiable at every point in the domain of definition of the function.

**Example 1:** Find the derivative of  $f(x) = x^2 + 2x$ .

$$\begin{aligned} \text{Solution:} \quad f(x + \Delta x) &= (x + \Delta x)^2 + 2(x + \Delta x) \\ &= x^2 + 2x\Delta x + (\Delta x)^2 + 2x + 2\Delta x \\ f(x) &= x^2 + 2x \\ f(x + \Delta x) - f(x) &= 2x\Delta x + (\Delta x)^2 + 2\Delta x \end{aligned}$$

Dividing both sides of this equation by  $\Delta x$ , where  $\Delta x \neq 0$ ,

$$\frac{f(x + \Delta x) - f(x)}{\Delta x} = 2x + \Delta x + 2$$

The derivative of  $f$  is defined to be

$$f'(x) = \lim_{\Delta x \rightarrow 0} \frac{f(x + \Delta x) - f(x)}{\Delta x} = \lim_{\Delta x \rightarrow 0} (2x + \Delta x + 2)$$

Using the limit theorem stated near the beginning of the chapter, we have

$$f'(x) = (\lim_{\Delta x \rightarrow 0} 2x) + \lim_{\Delta x \rightarrow 0} (\Delta x) + \lim_{\Delta x \rightarrow 0} 2$$

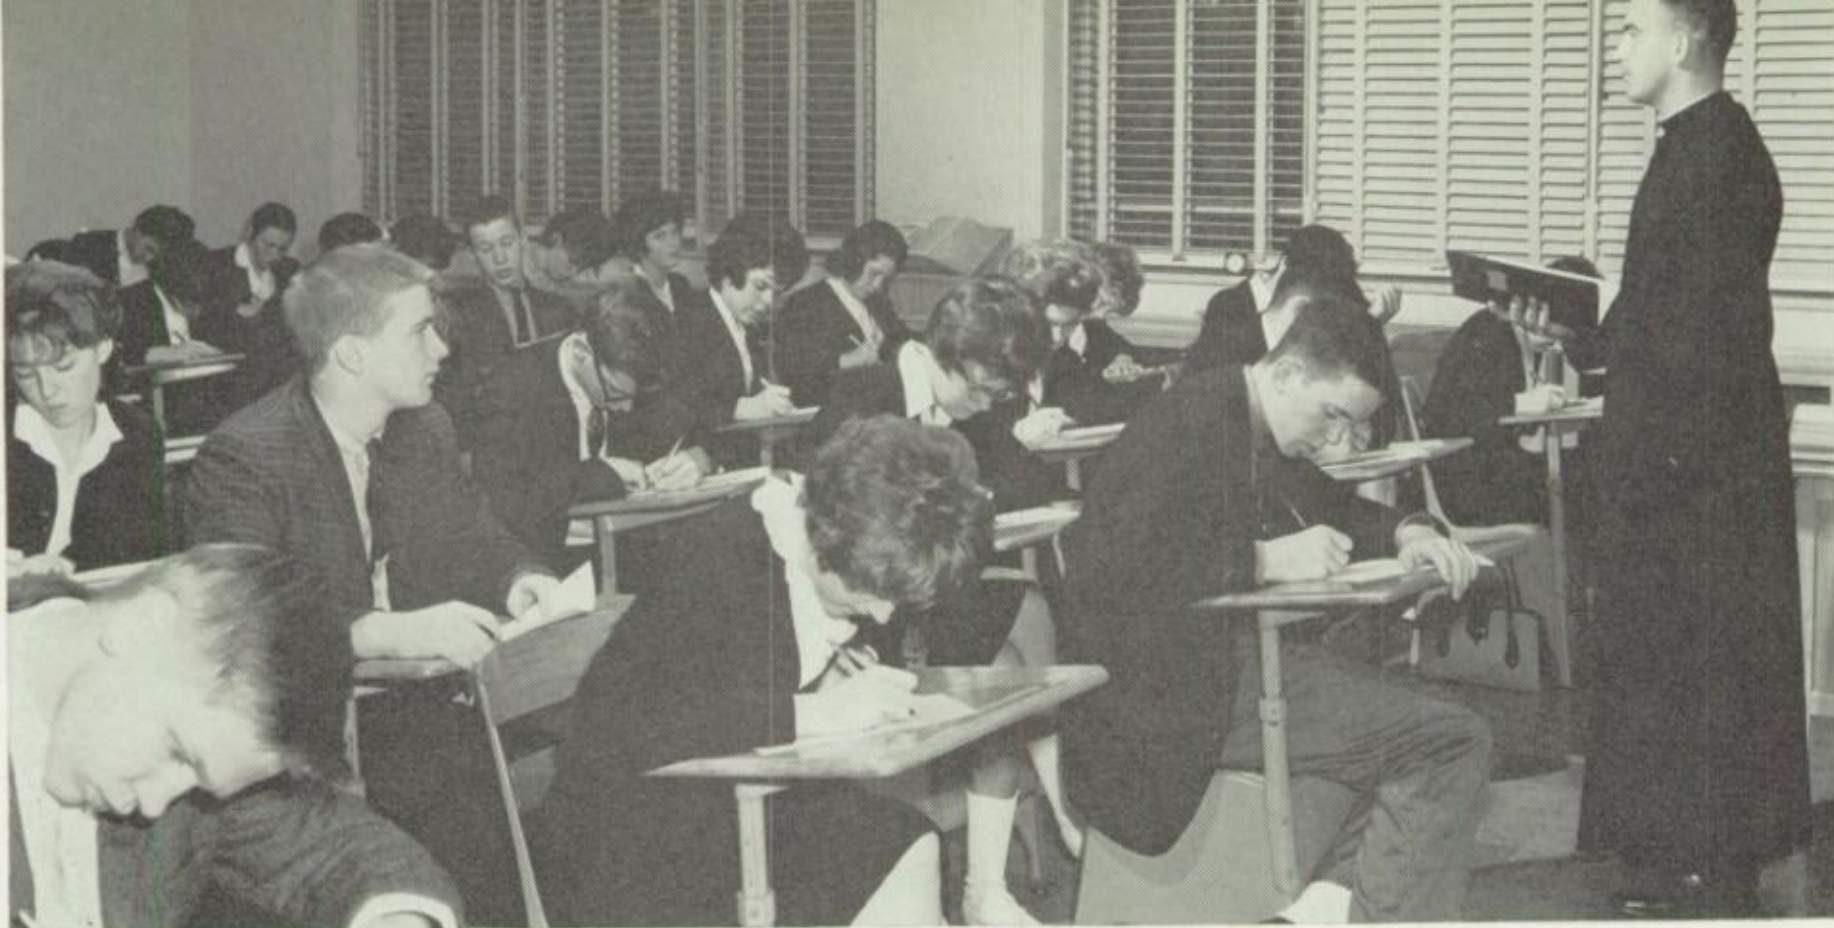

Observe that  $\lim_{\Delta x \rightarrow 0} (\Delta x) = 0$ . However, it is imperative that in our approach here as close as desired, but  $\Delta x \neq 0$ . The process of differentiation would involve division by zero, which is not permissible. (Explain where division by zero occurs.)

**Example 2:** Find the derivative of  $f(x) = x^3$ .

$$\begin{aligned} \text{Solution:} \quad f(x + h) &= (x + h)^3 \\ &= x^3 + 3x^2h + 3xh^2 + h^3 \\ f(x + h) - f(x) &= 3x^2h + 3xh^2 + h^3 \\ \frac{f(x + h) - f(x)}{h} &= 3x^2 + 3xh + h^2, \quad \text{where } h \neq 0 \\ f'(x) &= \lim_{h \rightarrow 0} \frac{f(x + h) - f(x)}{h} = \lim_{h \rightarrow 0} (3x^2 + 3xh + h^2) \end{aligned}$$

# CLASSES

Father Kleina with Religion II class reviews religion coverage in a periodic test.

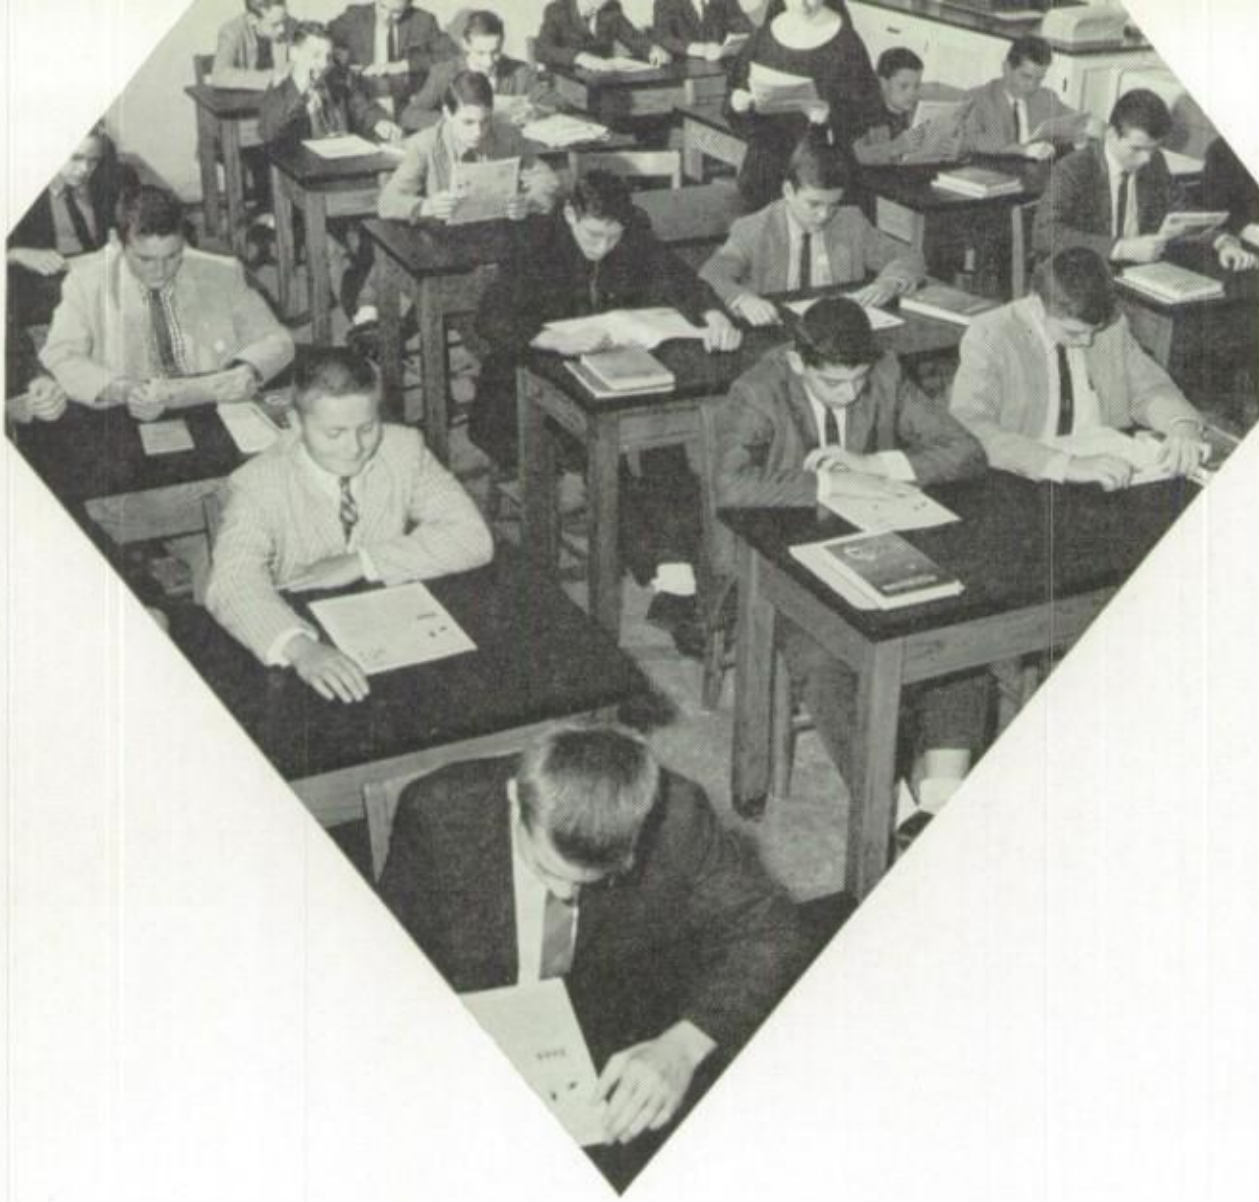

## Religion

Religion as a way of life means for students an unbounded respect for the principles embodied in classes devoted to doctrine, dogma, and apologetics. Religion, being man's reliable dependence on the Creator means for the student a complete understanding of relationship between him and the Creator.

Sister Vincent De Paul answers questions found in challenging pamphlet coverage for Religion I.

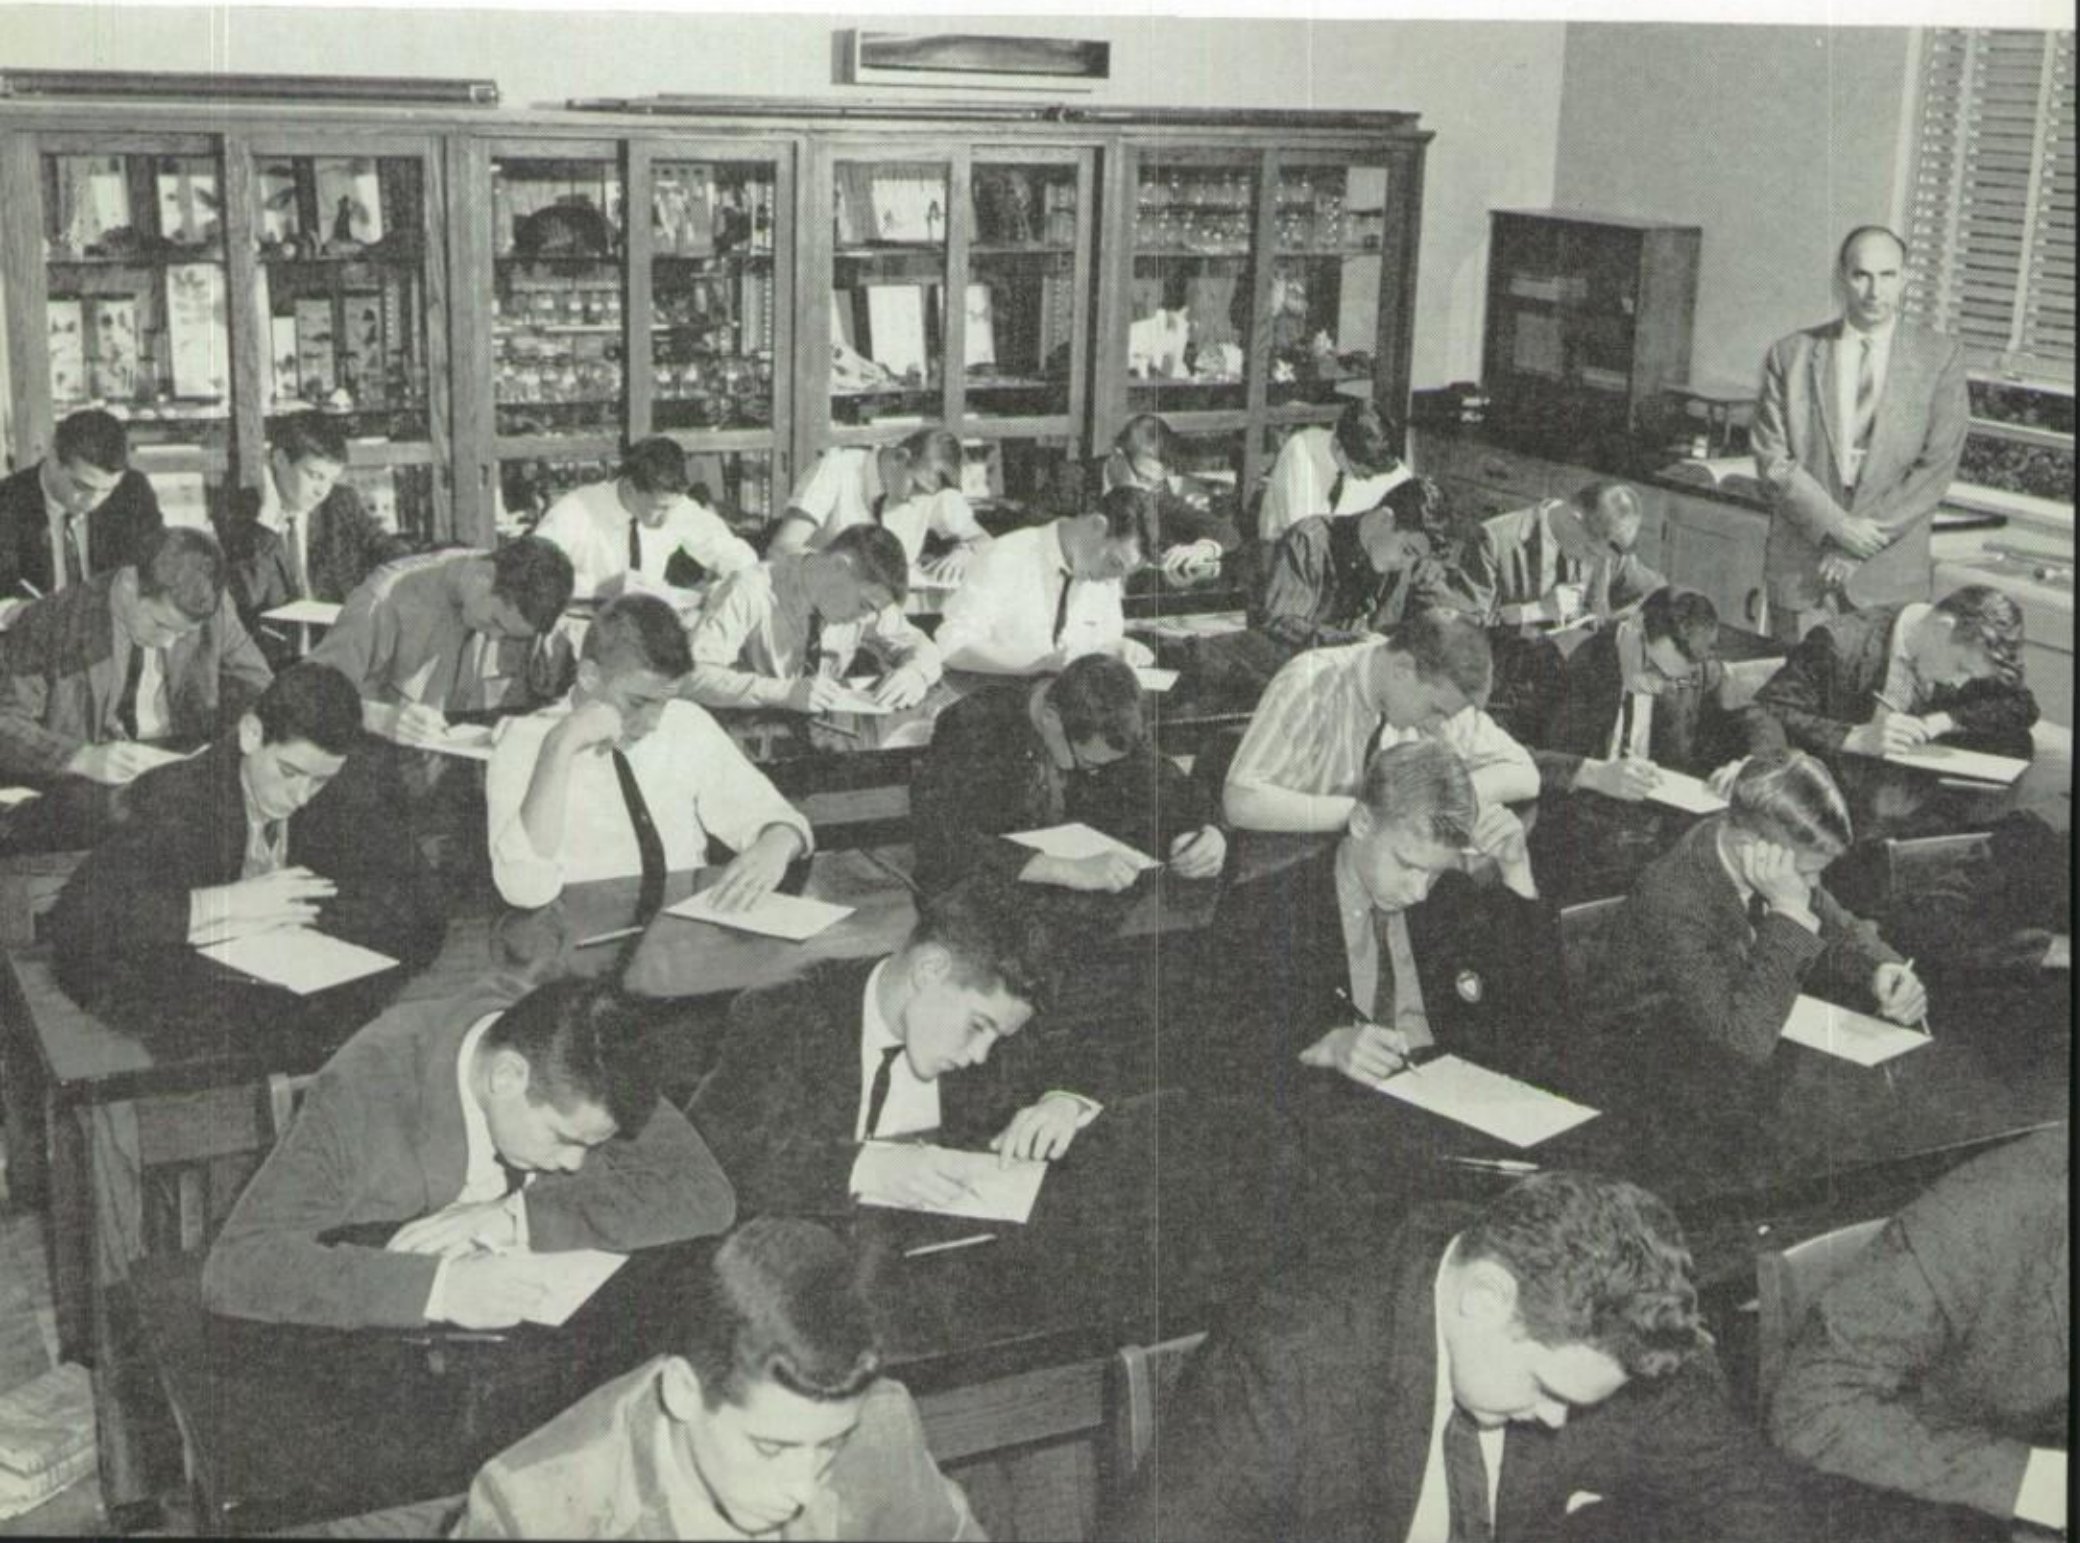

Sister Rosaline sets frosh through paces with science reading preceding experiments.

## Science

Mr. Leo Hrachovec administers check during six-week term tests. Class of sophomore biologists concentrate on quiz.

Sister John Baptist supervises work of physicists putting to use their knowledge of the use of micrometers, Vernier calipers, and protractors. At close attention are: Mary Dragoun, Ken North, Don Gillette, Bob Borger, Bob Exner, Roger Sieja. Extreme right: Mary Ann Lukes, Joe Hartman (right-hander) Russ Lofthouse, Ed Brooks, Joe Stokosa, Walt Janis, Jim Karpus and Roger Ryan.

## Science

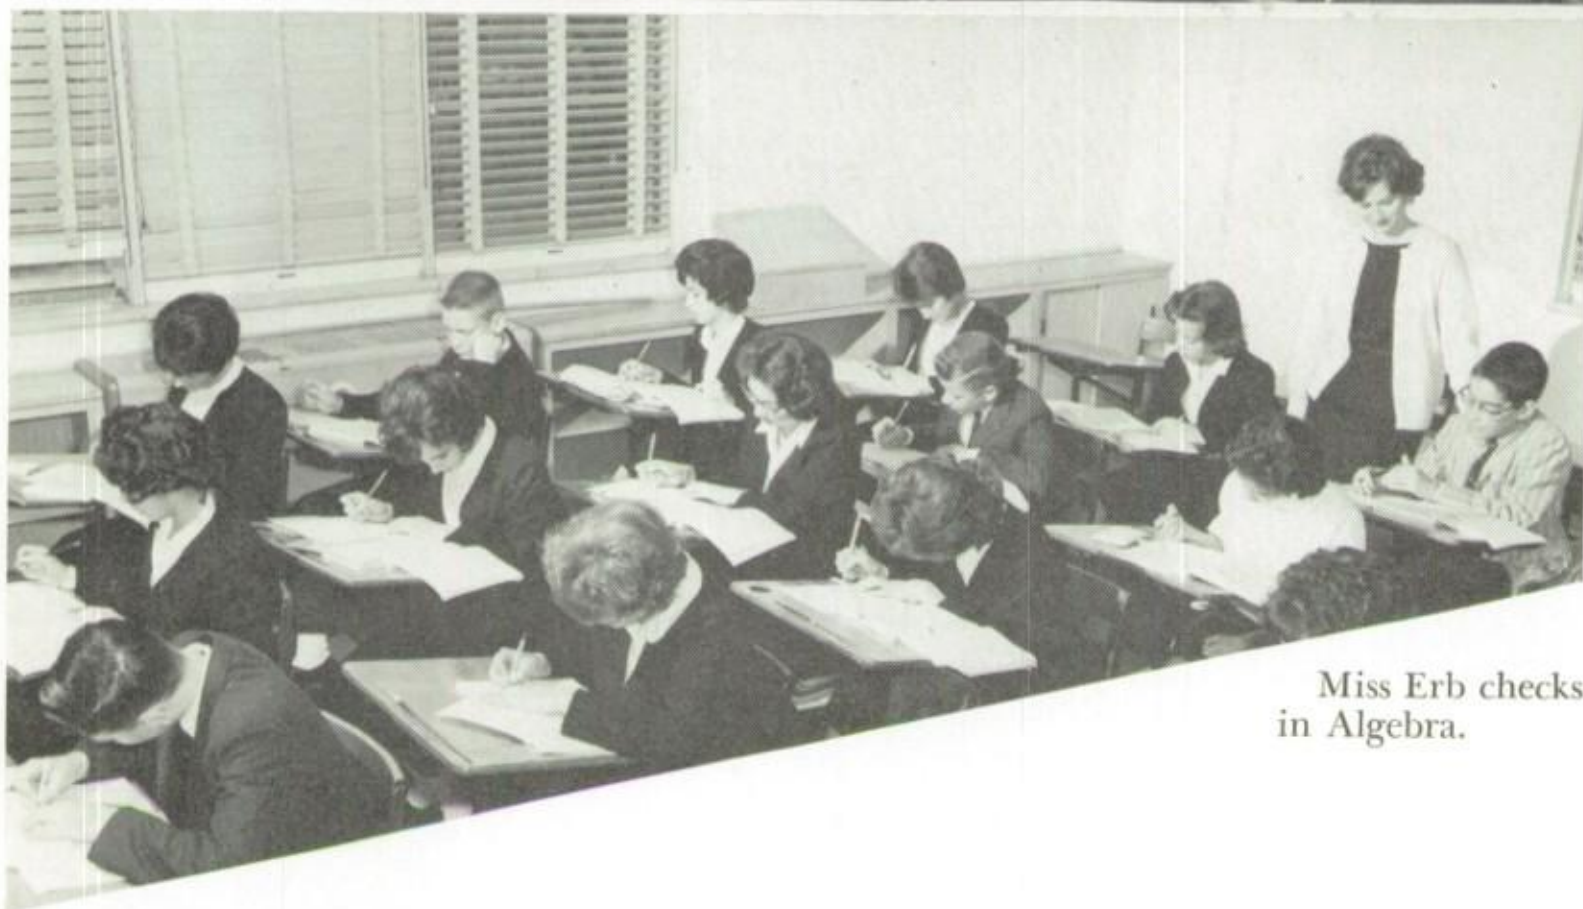

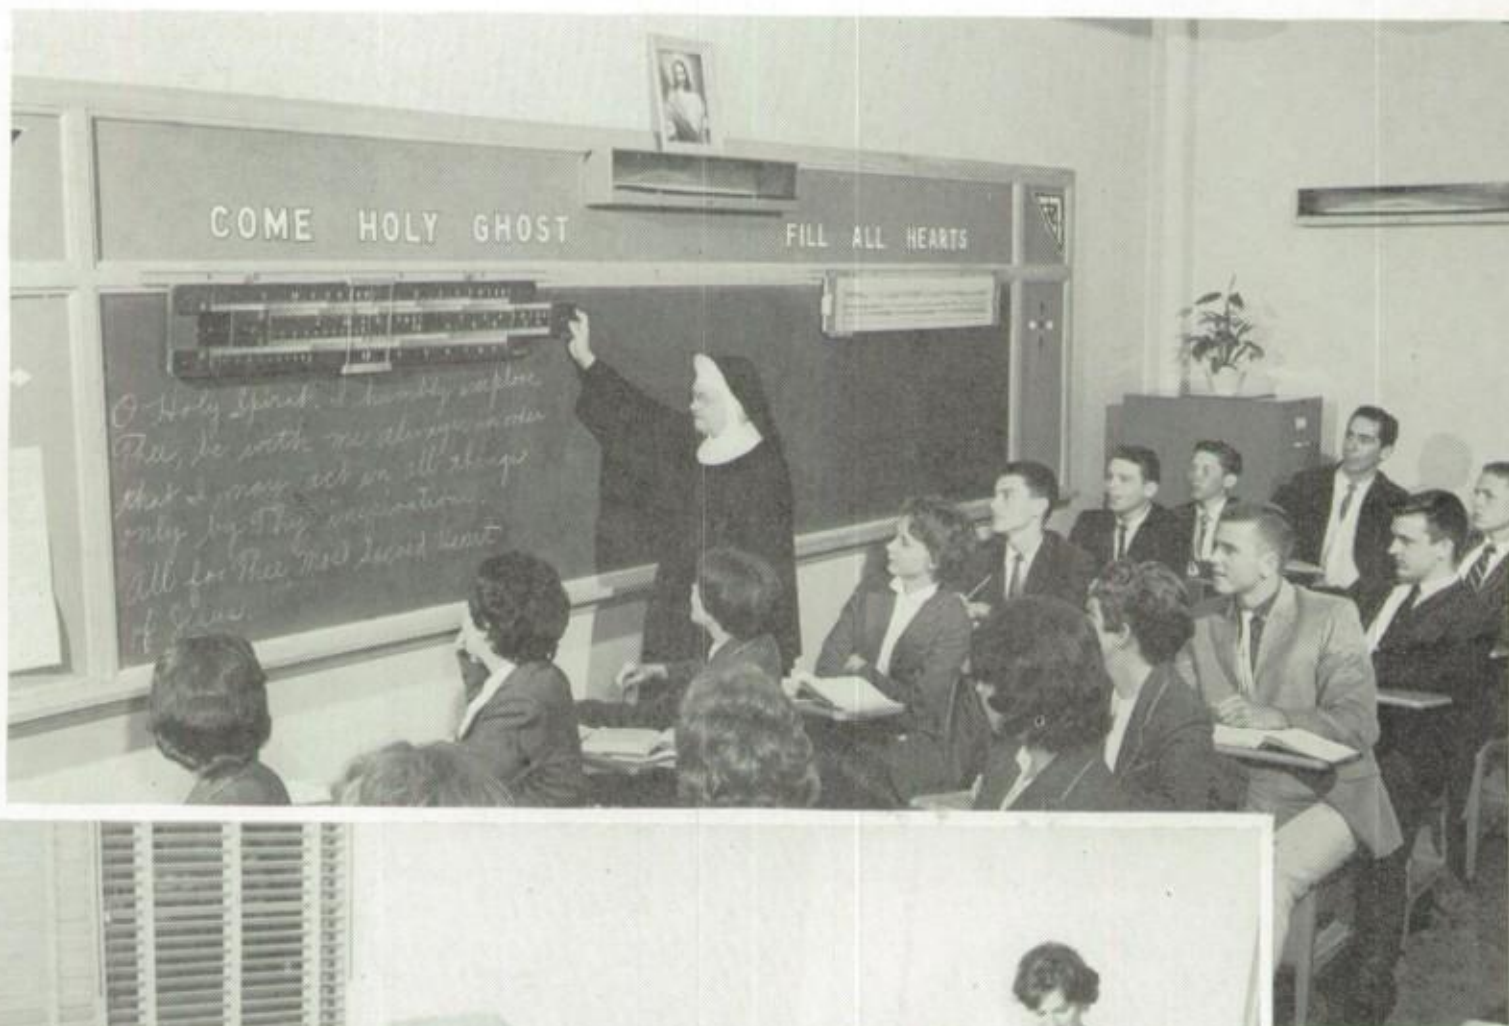

Meanwhile, in the Chem Lab: Sue Olson, Richard Wilkerson, Brian Marshall, John Hinchley, Phil Campagna, Ralph Schram, Mark Dietzen measuring and labeling pre-requisites for tomorrow's experiment.

# Mathematics

Sister Sylvester demonstrates the use of the slide rule in Junior Math class.

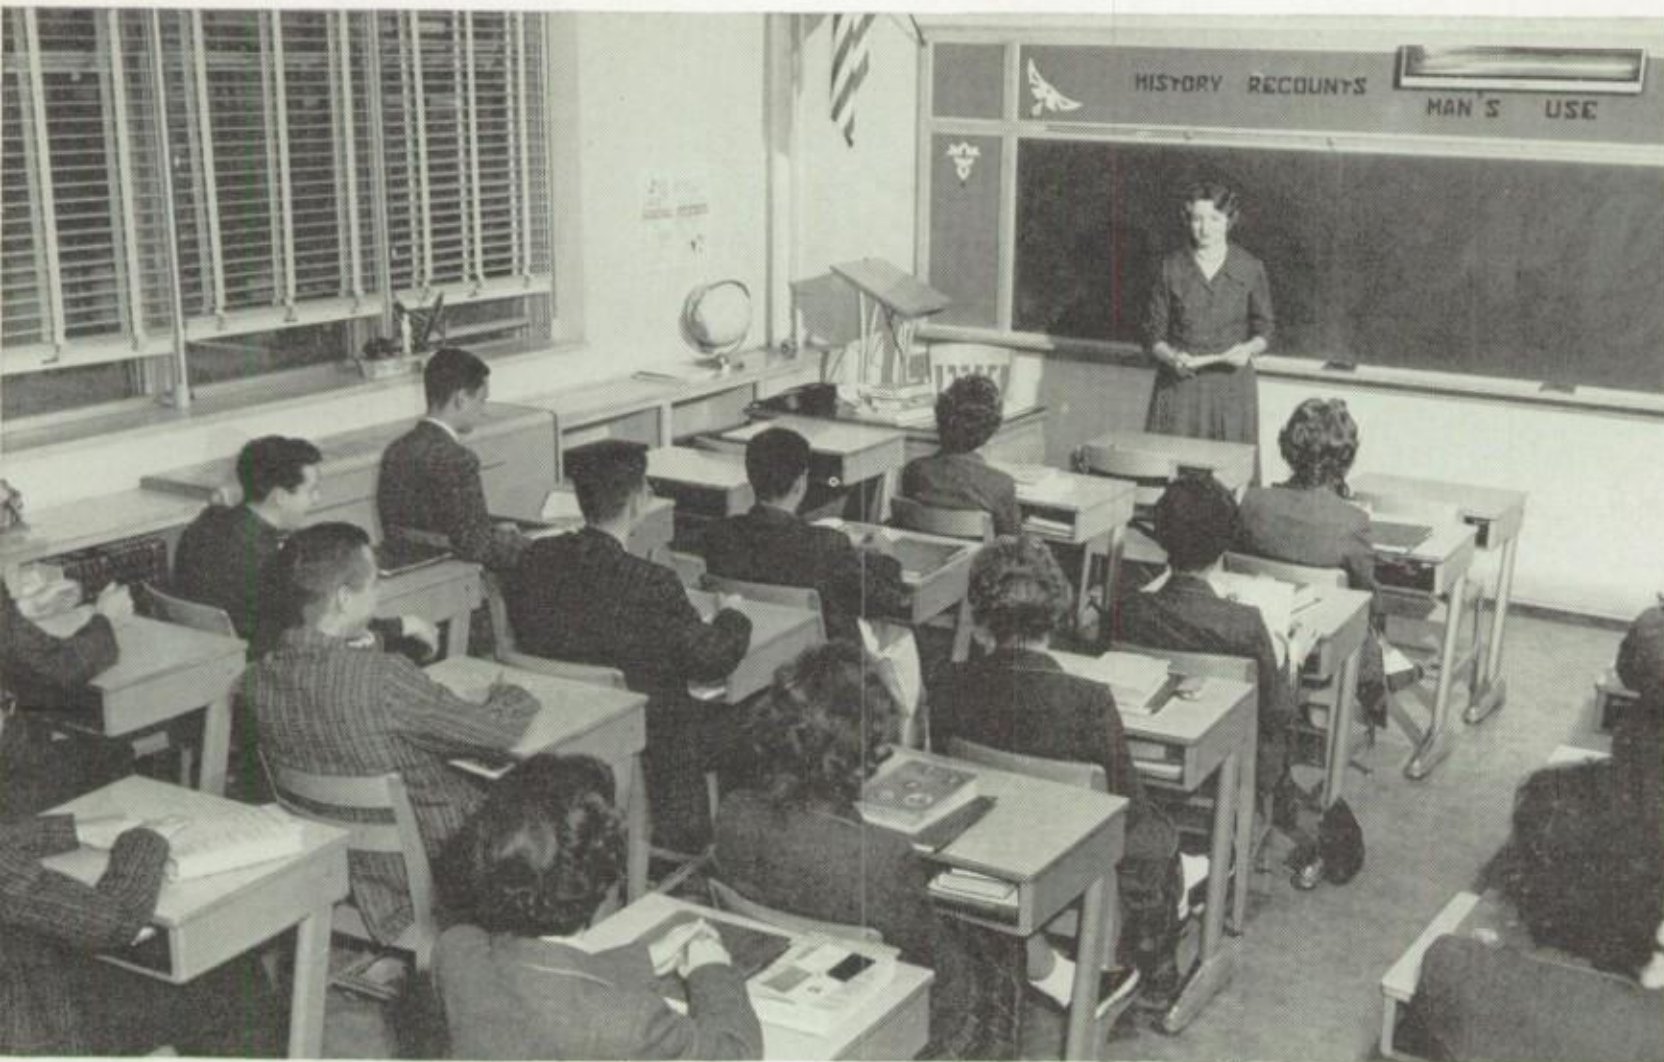

Miss Erb checks students' work in Algebra.

Sister Mary Victoria's Geometry class observe a student's analysis of a triangle and its theories and axioms.

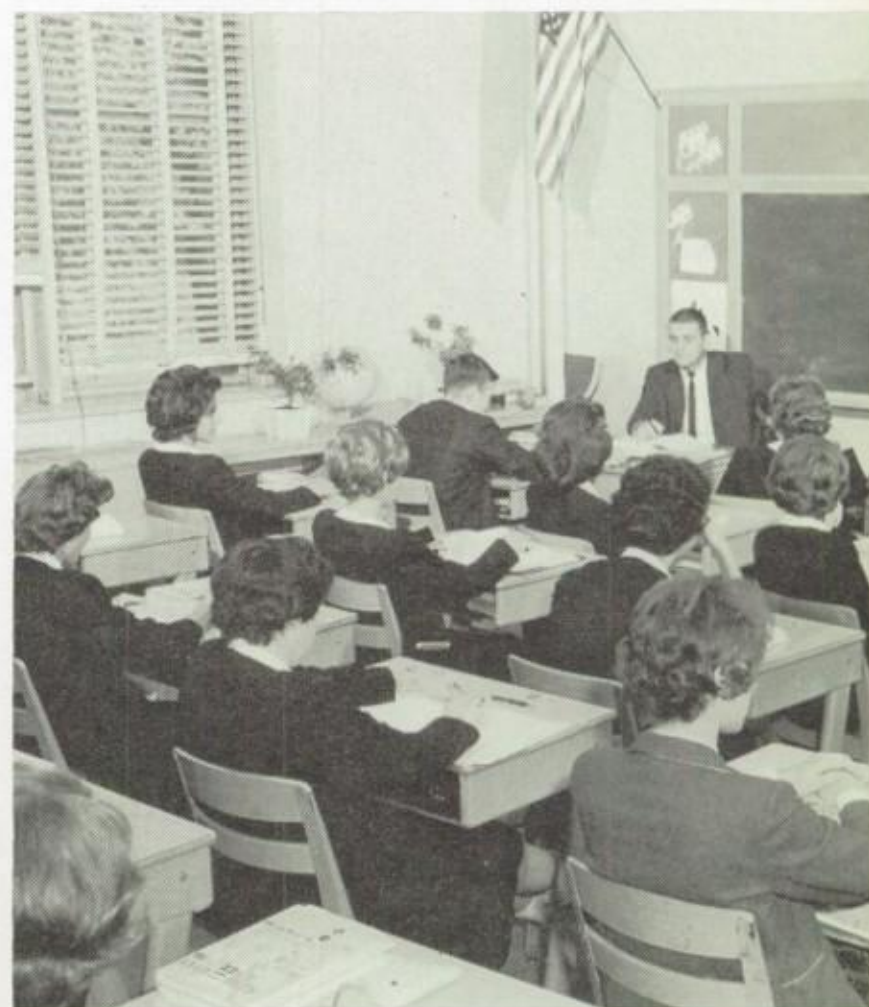

Miss Ellen Toohill, student teacher from Rosary College, Dept. of Social Sciences, enjoys American History class this fall morning in October.

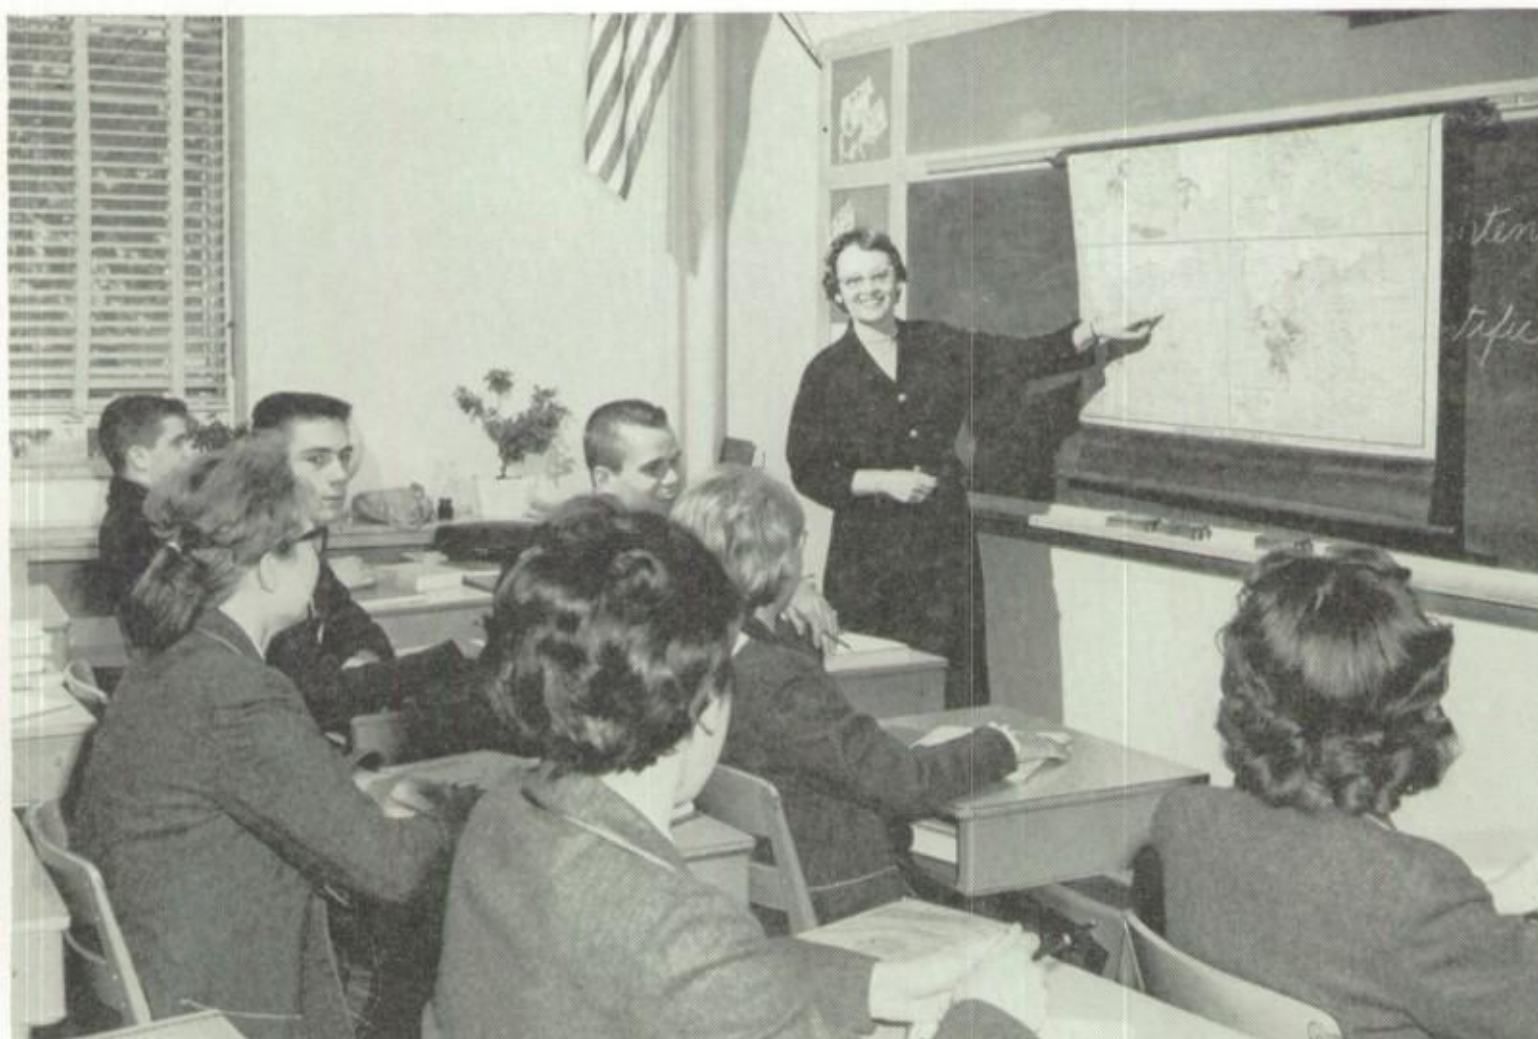

## Social Studies

Miss Donna Duffney, Rosary College, reviews notes with American History class, World History, before assigning that new chapter. Juniors and Seniors await with enthusiasm.

Mr. Clark Fischer calls for closed book question-answer technique. Sophomores are on the alert.

Mrs. Eleanor Dillon, challenges spontaneity and enthusiasm in World History. Seniors Jim Cesario, Marge Kukla, Jim Freeman, Mary Ann Sforza, Robert Byrd, Jean Diamond, and Noreen Saunders respond to that map question which the photographer interrupted.

## Social Science

Mr. Robert Ratcliff, having answered students' questions on those stocks and bonds, proceeds with Political Science. Seniors eagerly work out a problem posed by world situations.

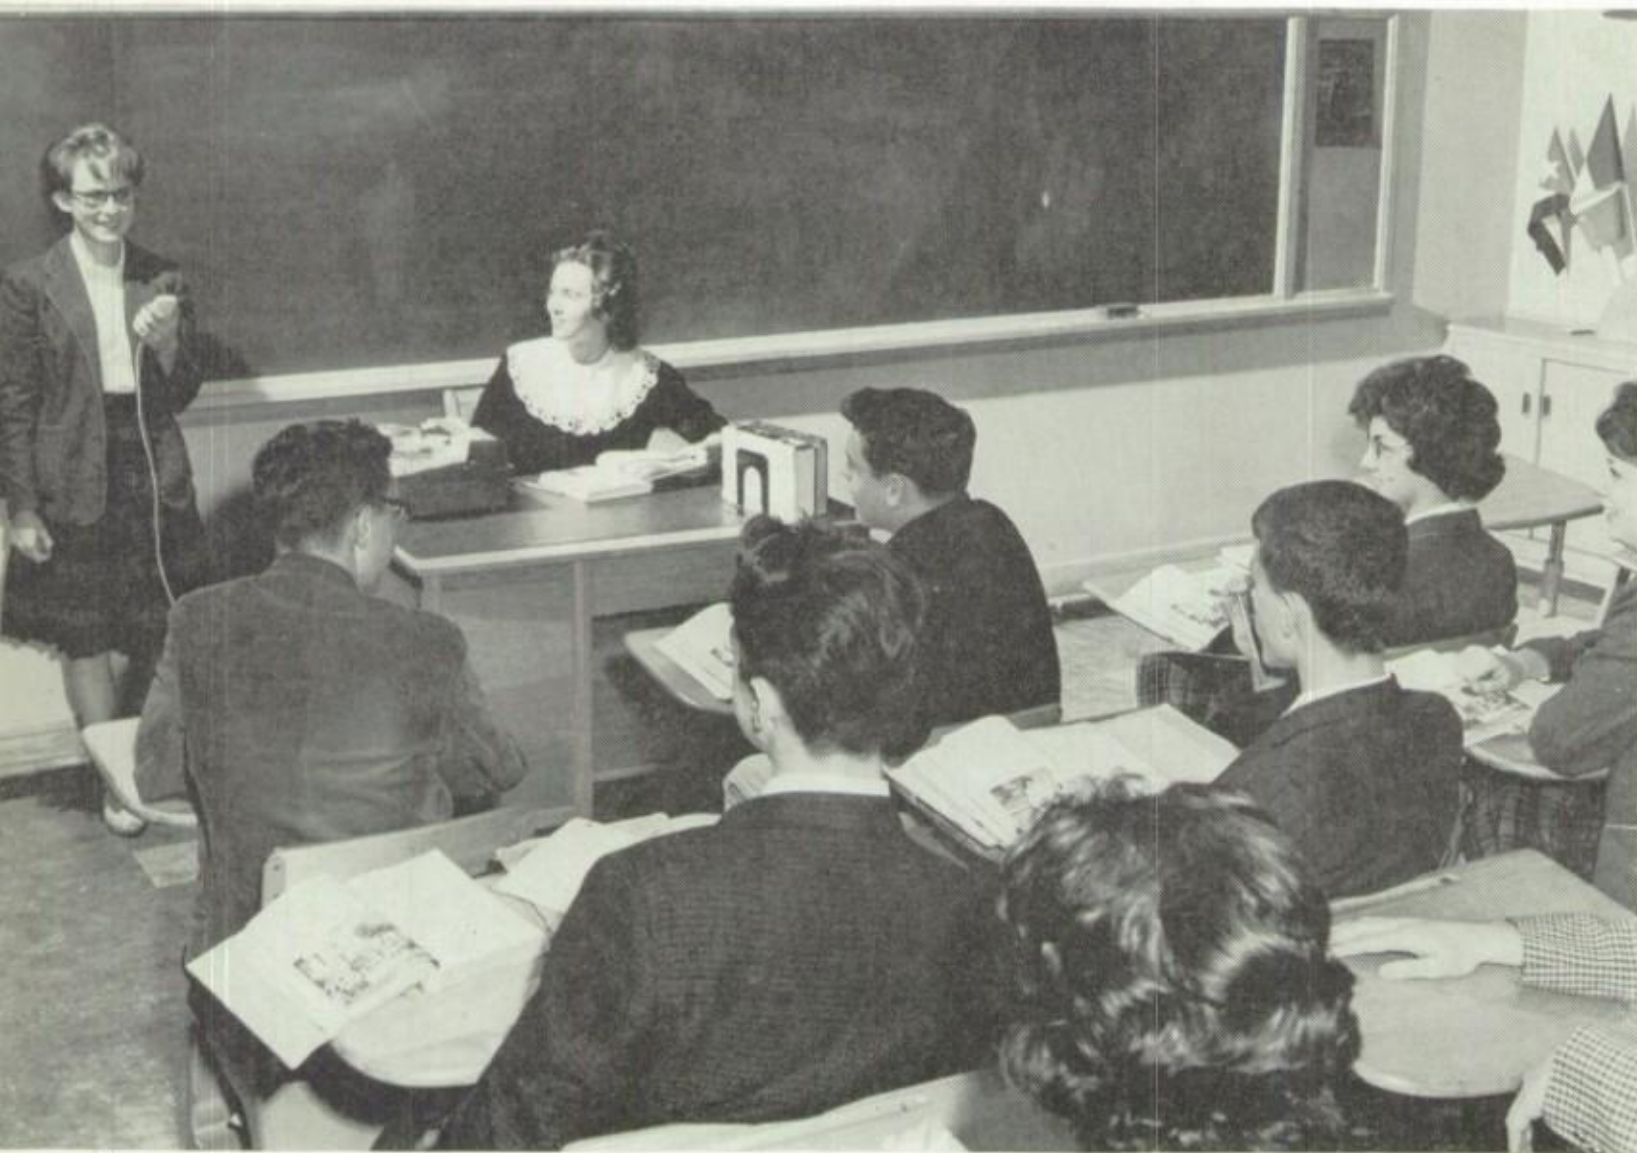

Miss Donna Curtin, Rosary College, enjoys Latin II translations with her Sophomores, who demonstrate Latin-English, English-Latin techniques.

## Foreign Languages

Miss Mary Hawkins repeats difficult French inflections for her imitative French scholars.

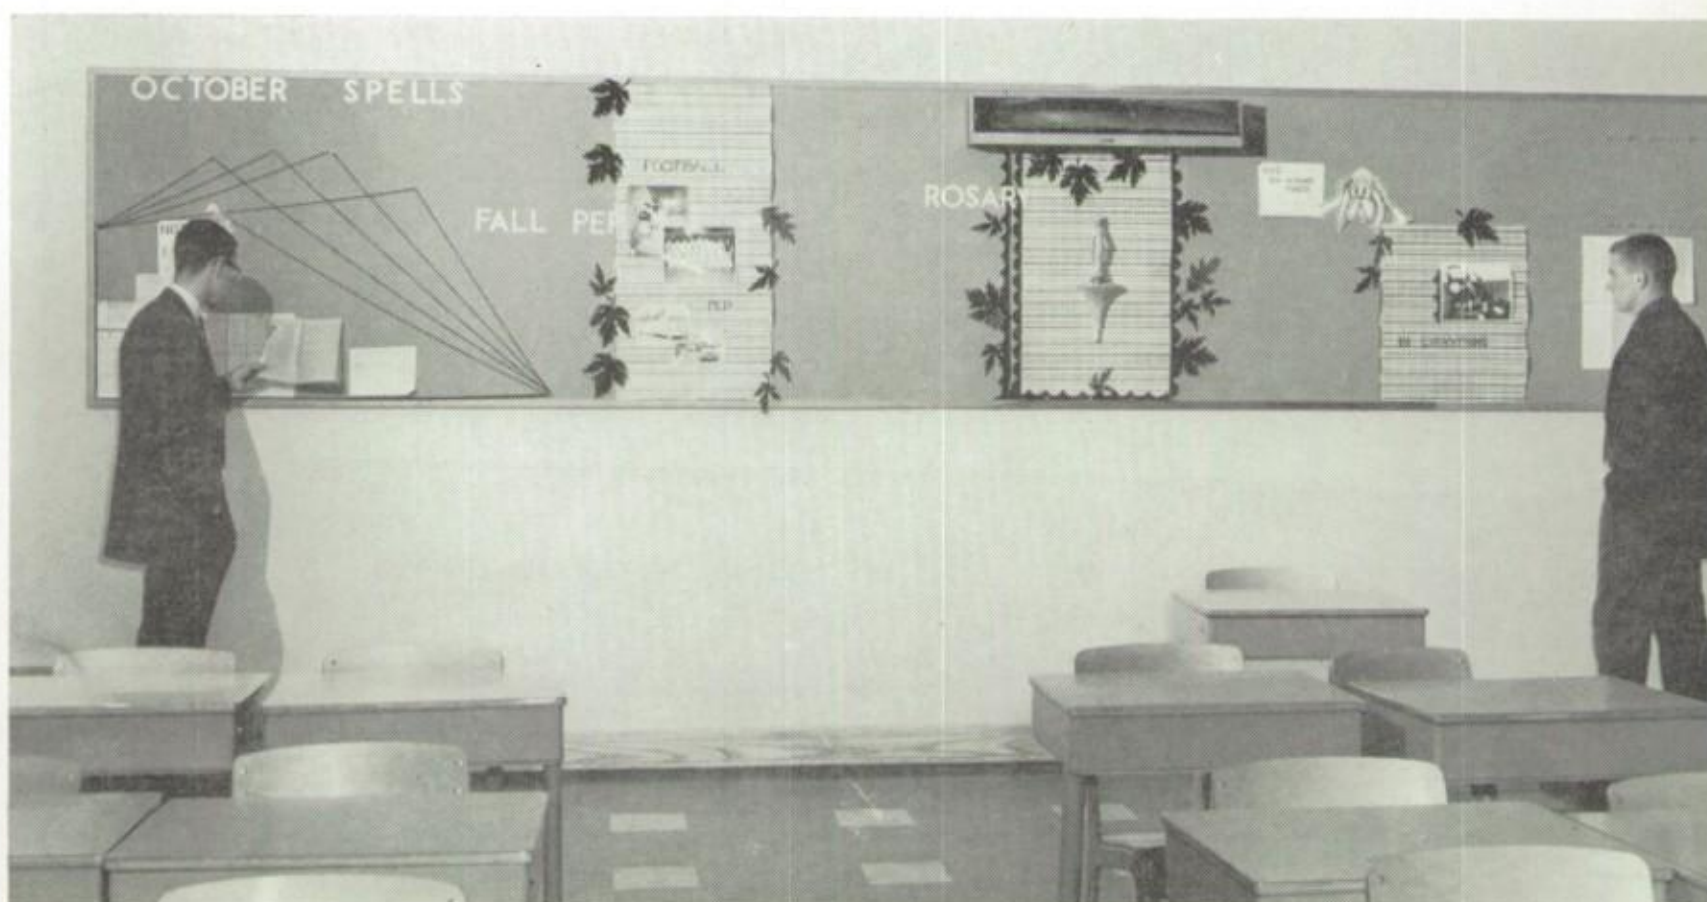

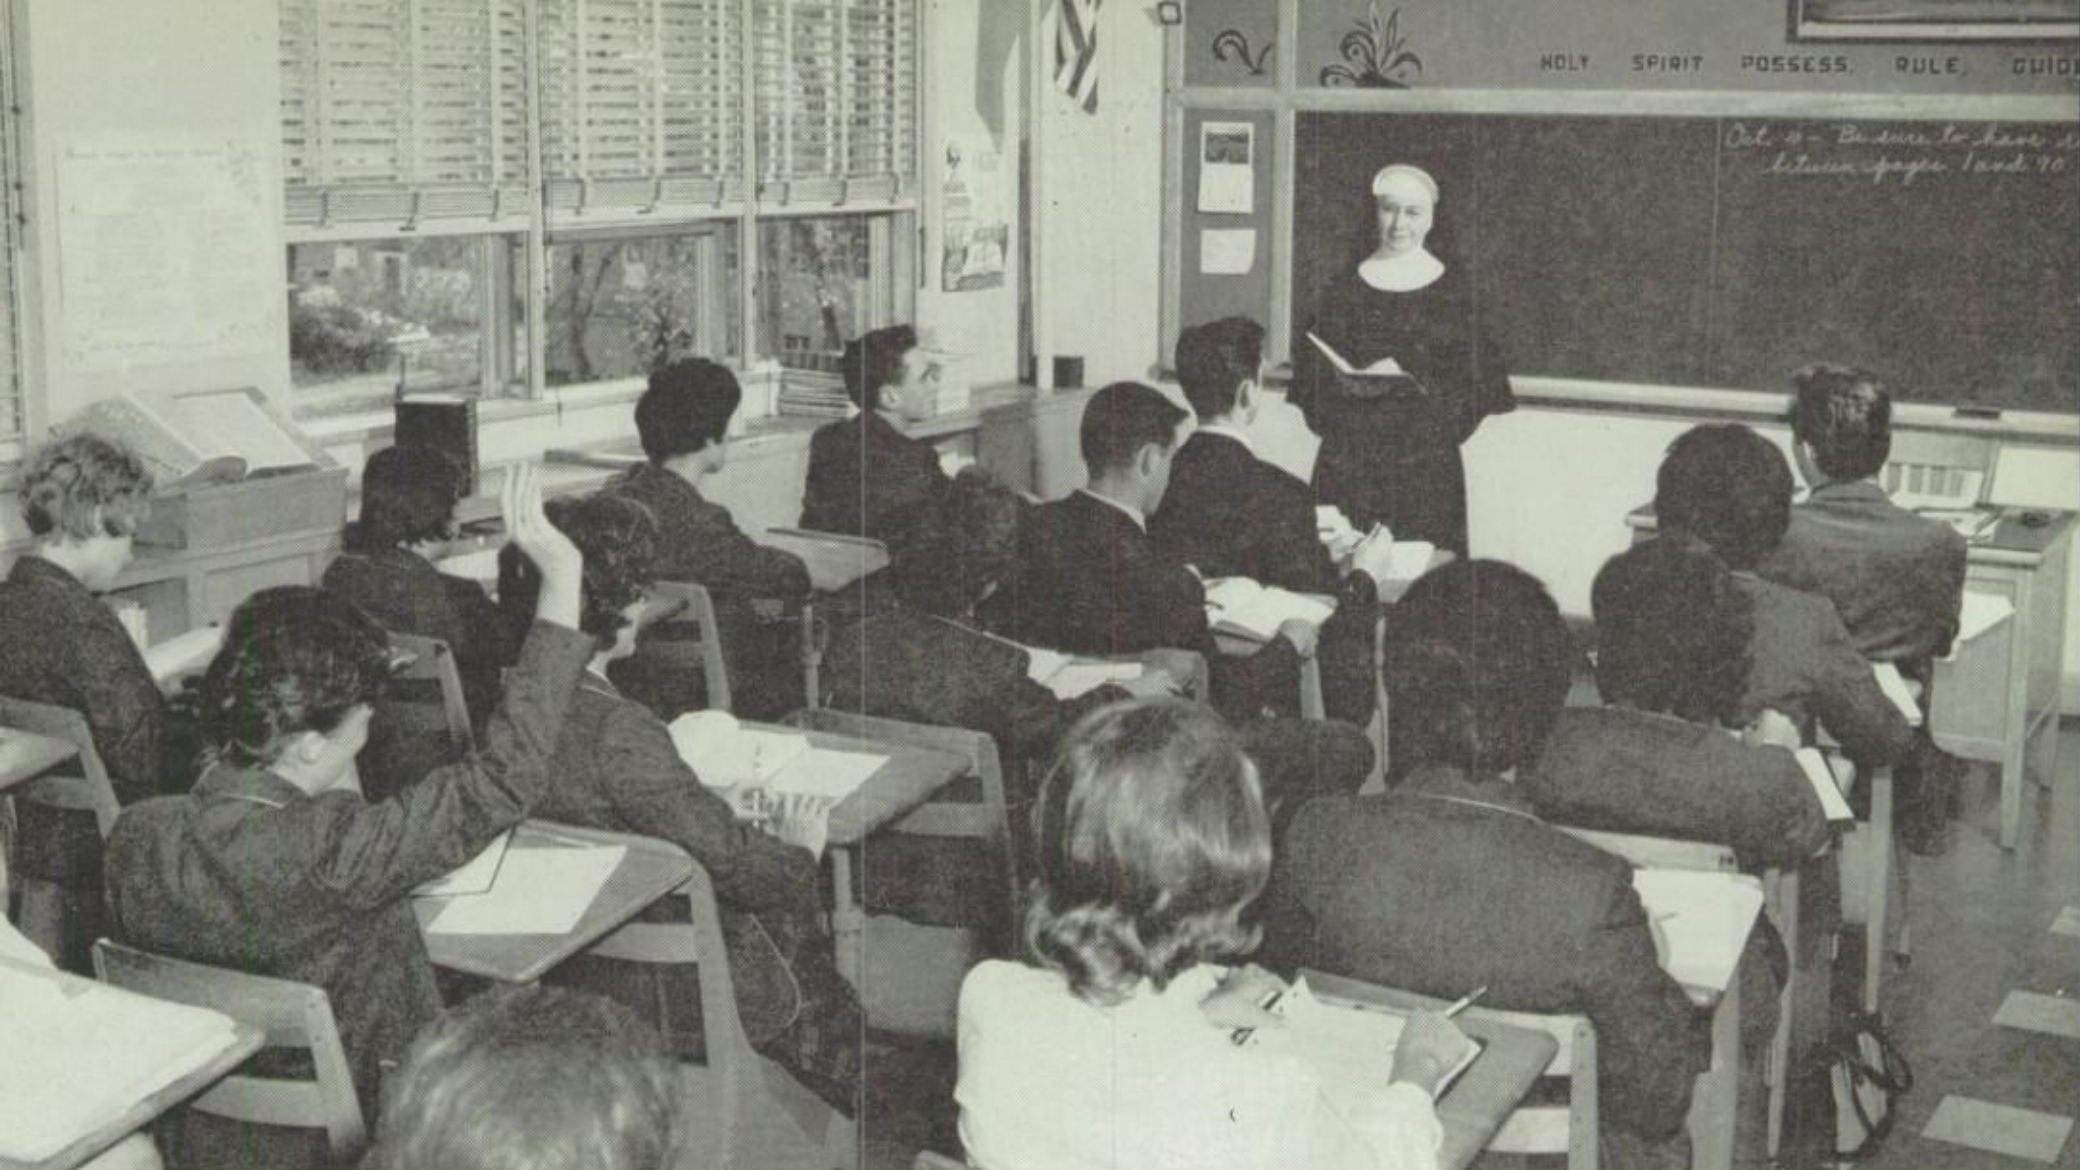

Mrs. Rojene Kramer moderates Loretto Ensfield's taped "adelante siempre adelante" for Spanish classes.

Peter Gaddy and Jay Wilkins check a bulletin board in a vacant classroom prior to coming to class. Peter peruses a college catalog; Jay anticipates variety of tests to come.

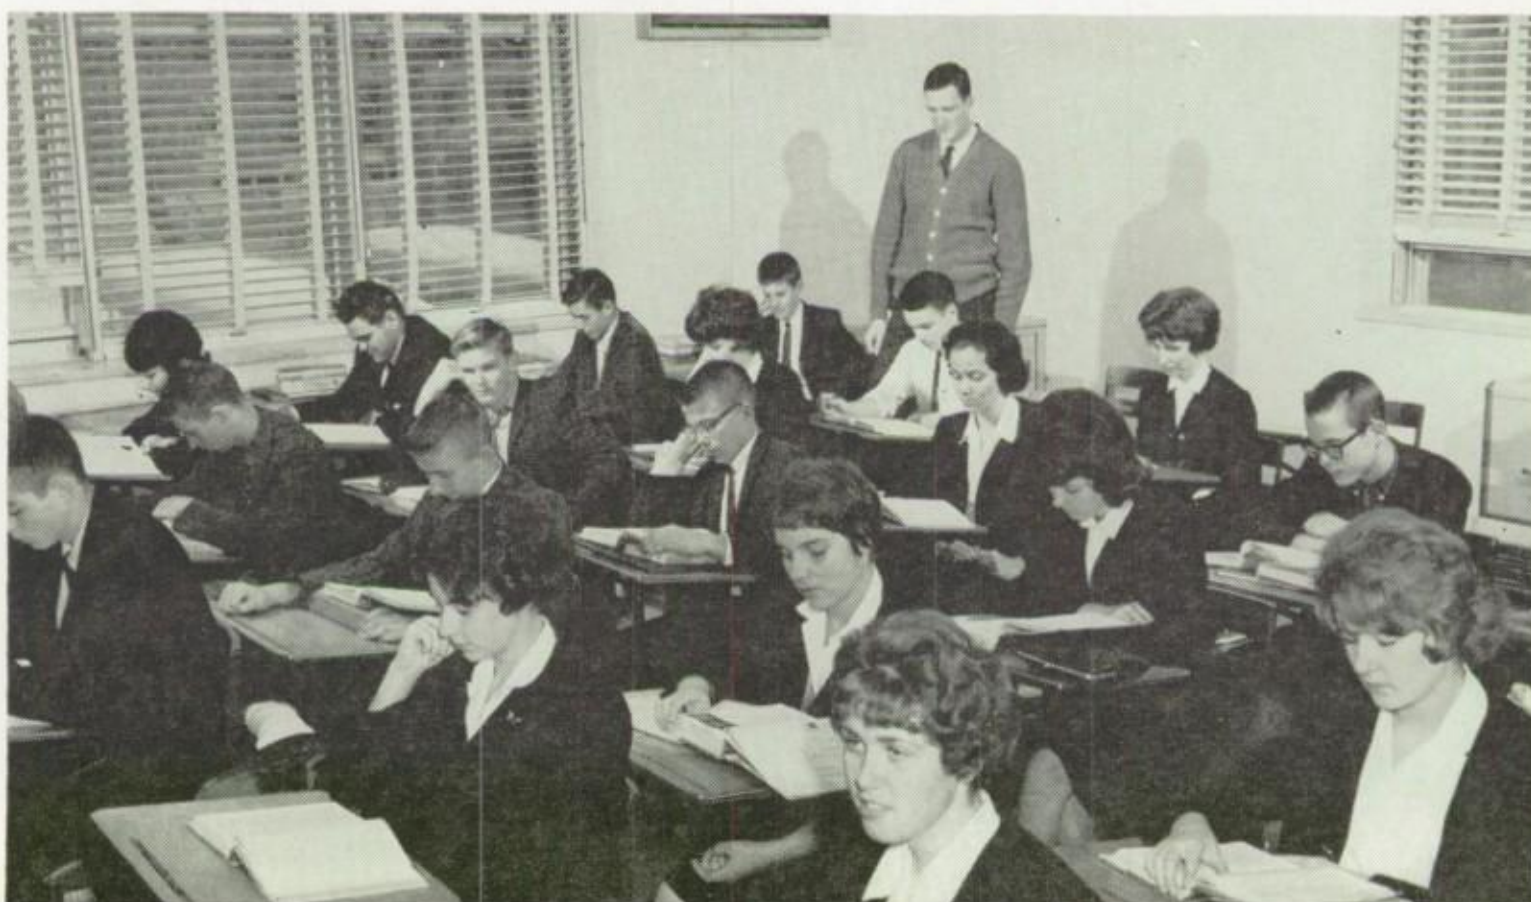

Sister Mary Rita, teacher of English I, finds that Juniors are still up and doing in the techniques of question-answer methods though two years have elapsed since their Freshman class.

## English

Mr. James Fleming puts Sophomores through their paces of analysing rhetoric through silent reading as a device of recognizing the style and content of English II Literature.

Sister Janet supervises Tom Weberling's demonstration of illustration-performance in American Literature in English III.

English IV concentrates on the teacher as she recounts the "Nonne's Tale" of *The Canterbury Tales*. There are those who suspect that Chaucer is compelled to revise his rhyme to accommodate Sister Alvis.

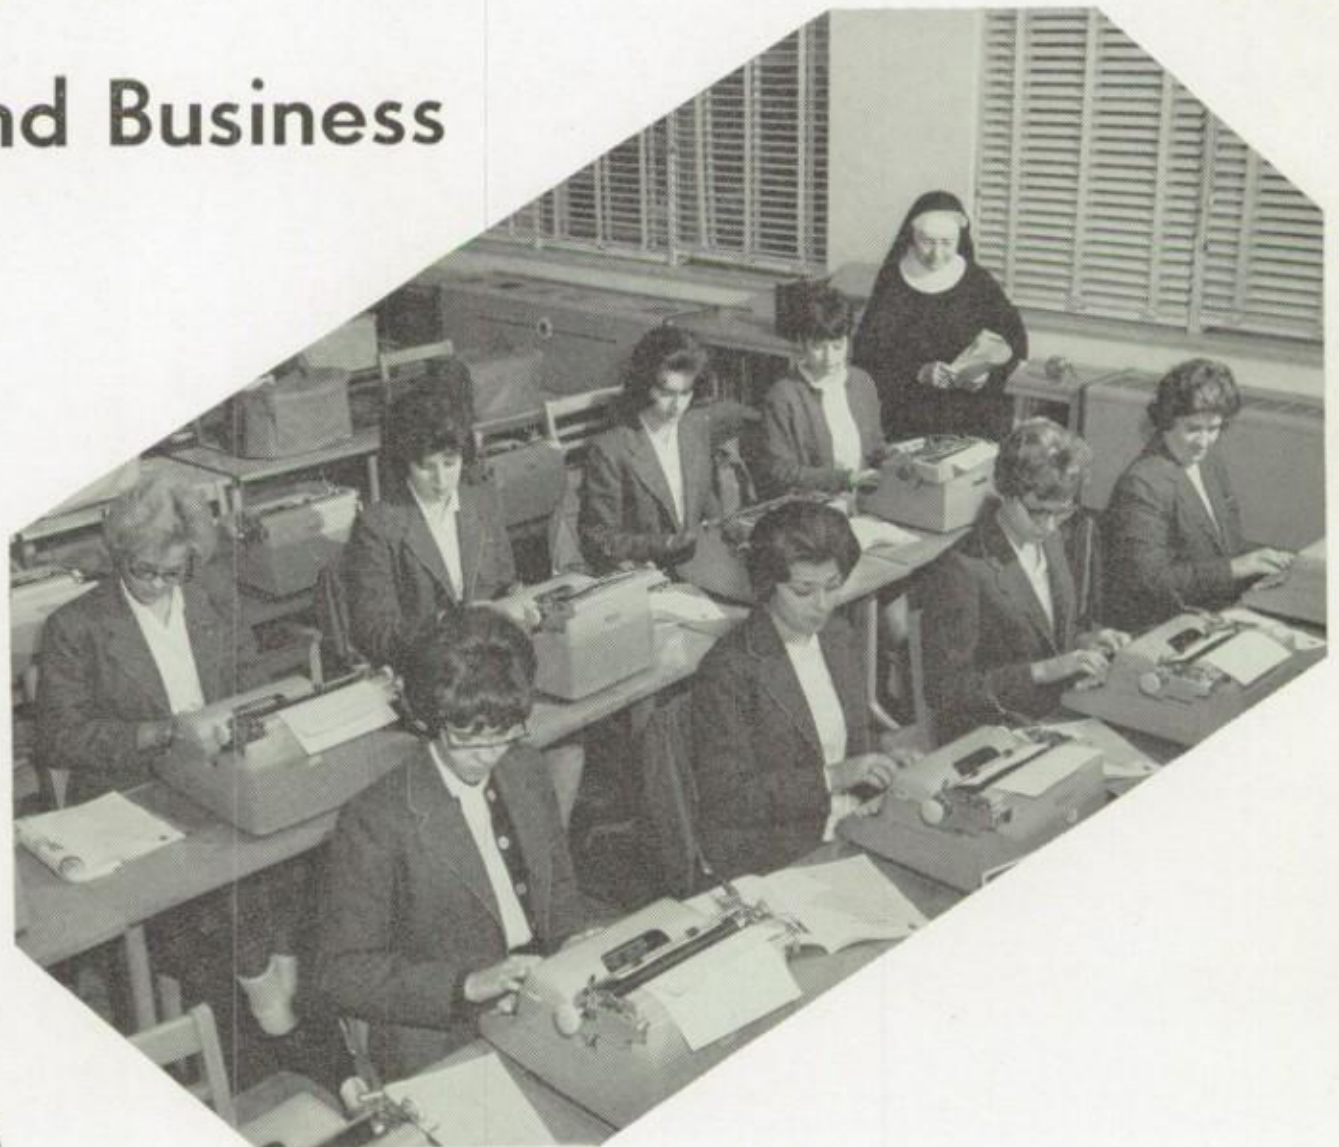

Sister Lois busy with her classes in Typing, Transcription and shorthand classes.

## Commerce and Business

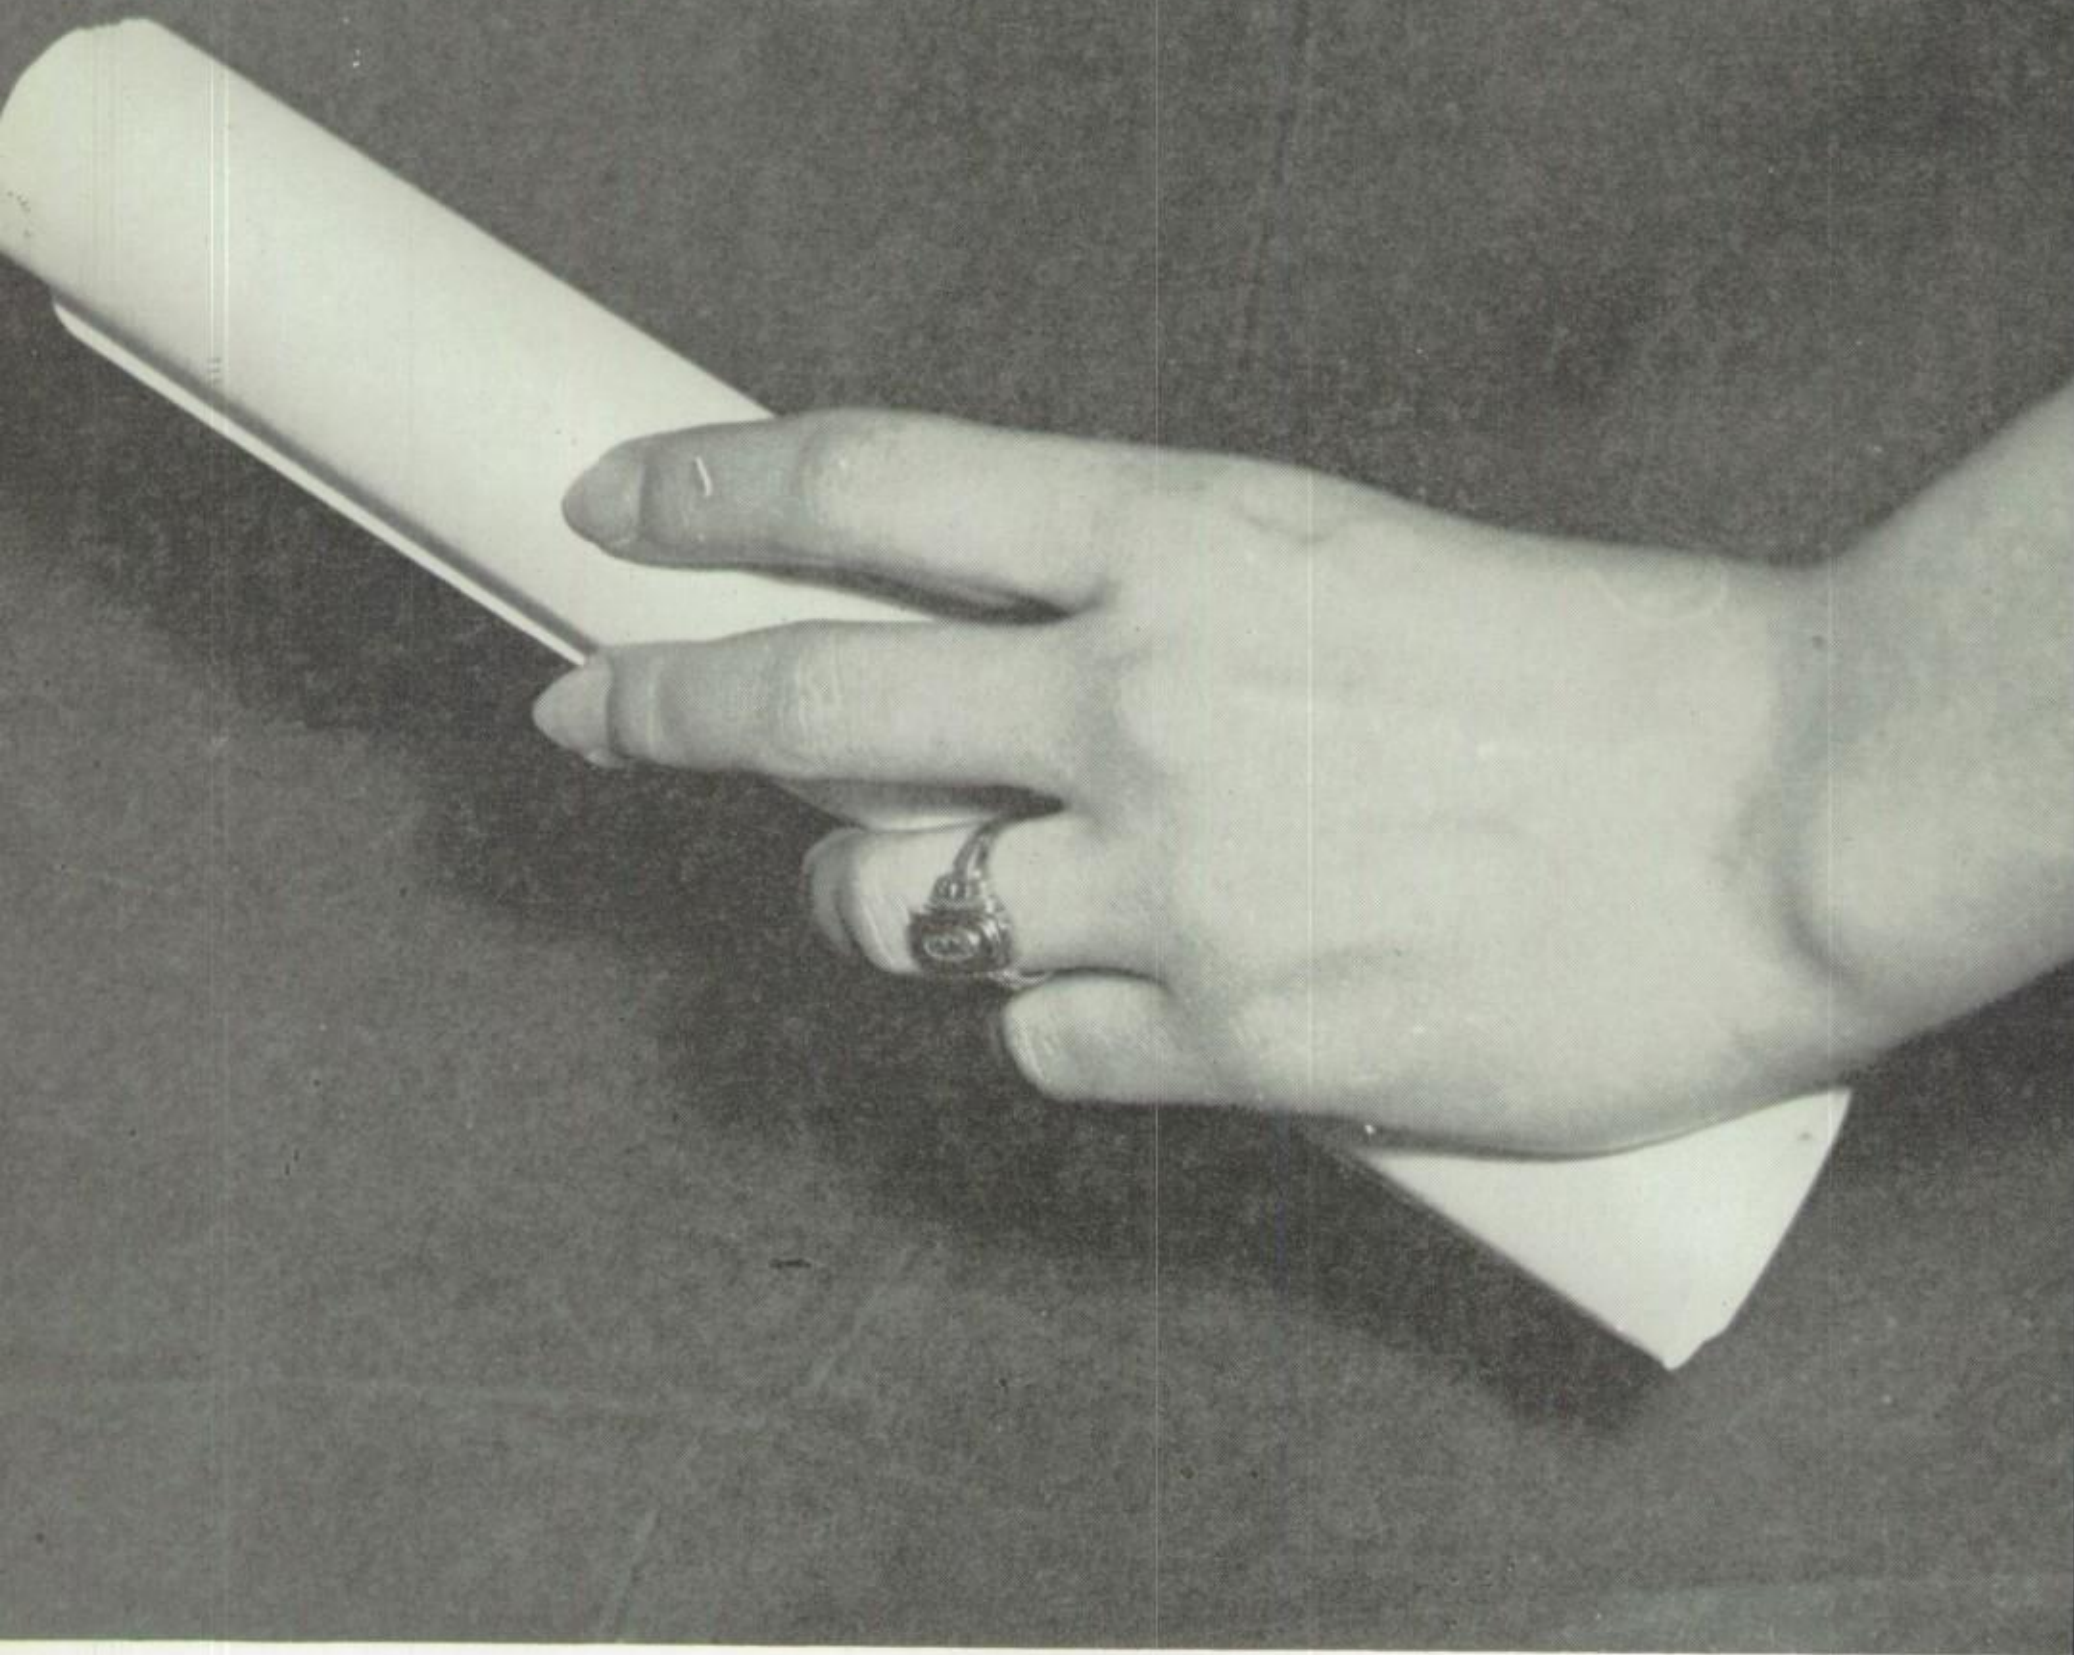

## Home Economics

Sister Perpetua has her girls know that not all "cutting up" is of nonsense variety. Here there is learning of basting, stitching, sewing, and reading of patterns.

## ACTIVITIES

*These are our activities — these are our clubs, our class-projects, our get-to-getheres. These are our students who work hard and these are our men behind the men behind the men behind the work. So we suggest . . . . .*

## The Youth and the Community

A representative body of Elmhurst teen-agers has formed an organization to follow in the footsteps of the "Youth Conference" held last May at York High School. Under the direction of several Elmhurst Jaycee members who will act as advisors, the Elmhurst Youth Council has formed a Constitution and elected officers for the year.

The purpose of the Council is "to represent and speak on behalf of the Youth of Elmhurst by providing a forum for the exchange of ideas and information and to direct, promote, and undertake projects which will benefit both the youth and the community."

Sister Millicent conducting a group of carolers from the Freshman choral performers. This time it is the occasion of the very successful Christmas party for parents and friends of the Parents' Club. Jean Sforza is the pianist.

A group of Mr. Kohout's band performs at the evening performance. The entire band met in formation unit to set off the homecoming this year. Unrehearsed agreement with the weatherman interrupted all photography of this splendid group at that time and our viewers will need to anticipate a better "glossy" come '64.

Sister Mary Alphonsus confers with a reference worker during a library hour. I.C. boasts of a record Library Assistant Club which gives many hours of work behind the desk, behind the files, in the records and through the cards. Here they convoke to wait for the gavel when Don Gillette, Tom Wedell, Al Bergeron, and Tom Dyer complete last-minute "timers".

# Future Teachers Club

The Future Teachers' Club enjoys a coffee-break with Mr. Clark Fischer "pouring" for the occasion. Girls' coach, Miss Patricia Ring waits with Club president Laura Meger, Treasurer Phyllis Janik, Secretary Phyllis Wroblewski. (Vice-President Rosemary O'Brien not in the picture).

# Health Career Club

Joe Hartman, Tim Murphy, Patricia Weppner, George Kohl, Mary Ann Sforza. Health Career Club discusses agenda with the moderator Mrs. Alice Kuzola, School Nurse.

Tom Tyrell, Phil Campagna, Paul Ingwaldson, John Loser, Sam Marzullo, Dave Armstrong, Tom Weberling, Tom Dyer, David Underdown, John Moncado, Dave Griesbaum, Jay Popp, Sue Tourville, Den Chalwick, Jean Diamond, Ed Henkelman, Nora Laho, Mike Dillon, Ken Keller, Terry Tyrell.

## Homeroom Representatives on Student Council

Vice President, Tom Dyer, President James Karpus, Treasurer Bob Borger and Secretary Marge Kukla place a call to the long roster of N.H.S. members. February witnessed the induction of 32 members raising the membership to 57. Probationaries will raise the entire membership to 86 by the time this is being read.

## Officers of the National Honor Society

Parts of cheering section experiencing various moods while contemplating scoreboards, are soon to hear from the peppy Squires leading lustily.

Sometimes they're worried . . . sometimes they're not . . .

sometimes they're tired.

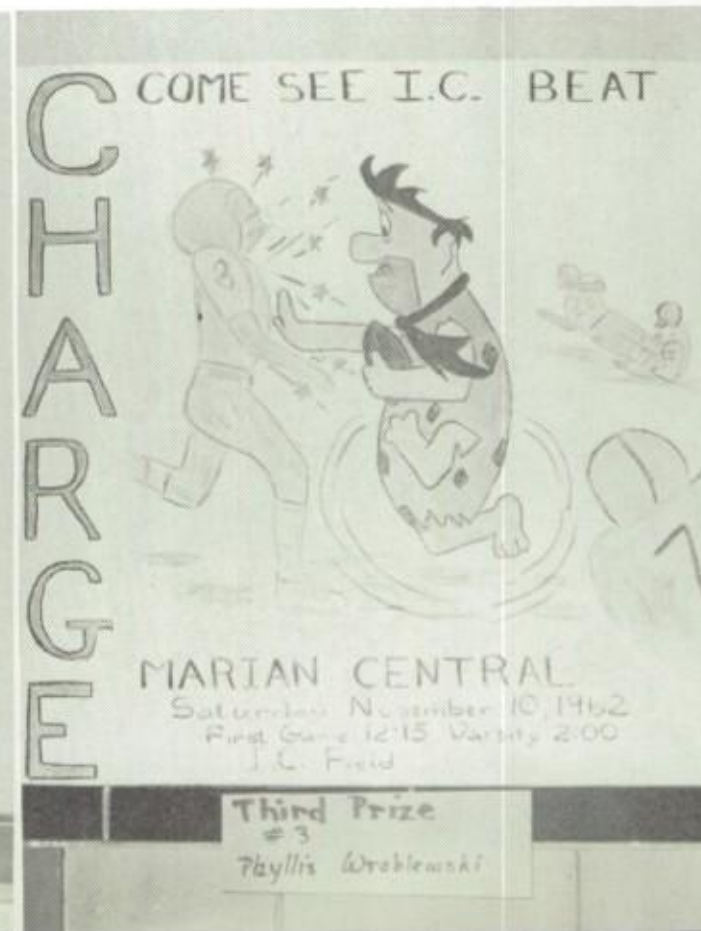

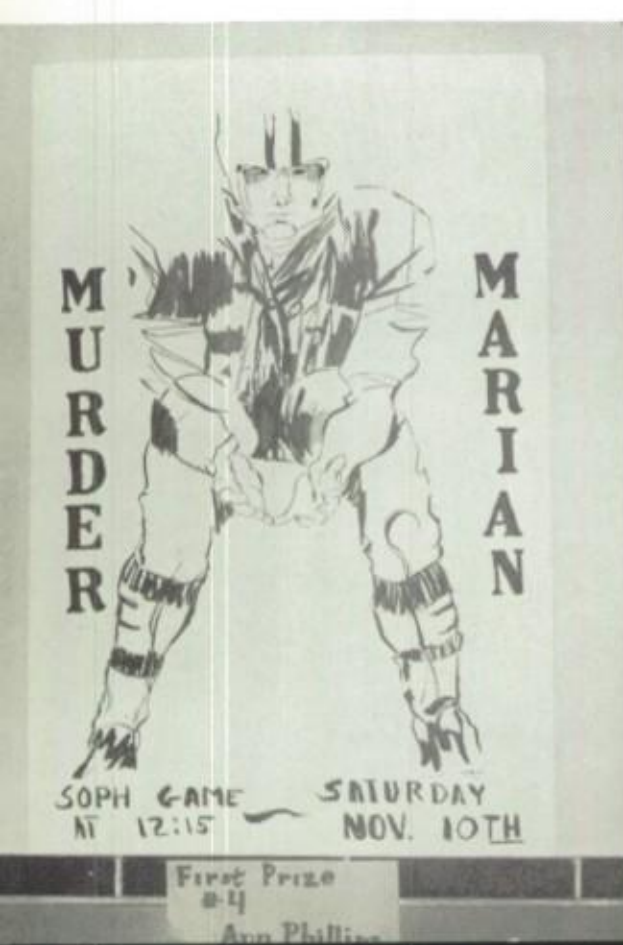

## Pep Rallies

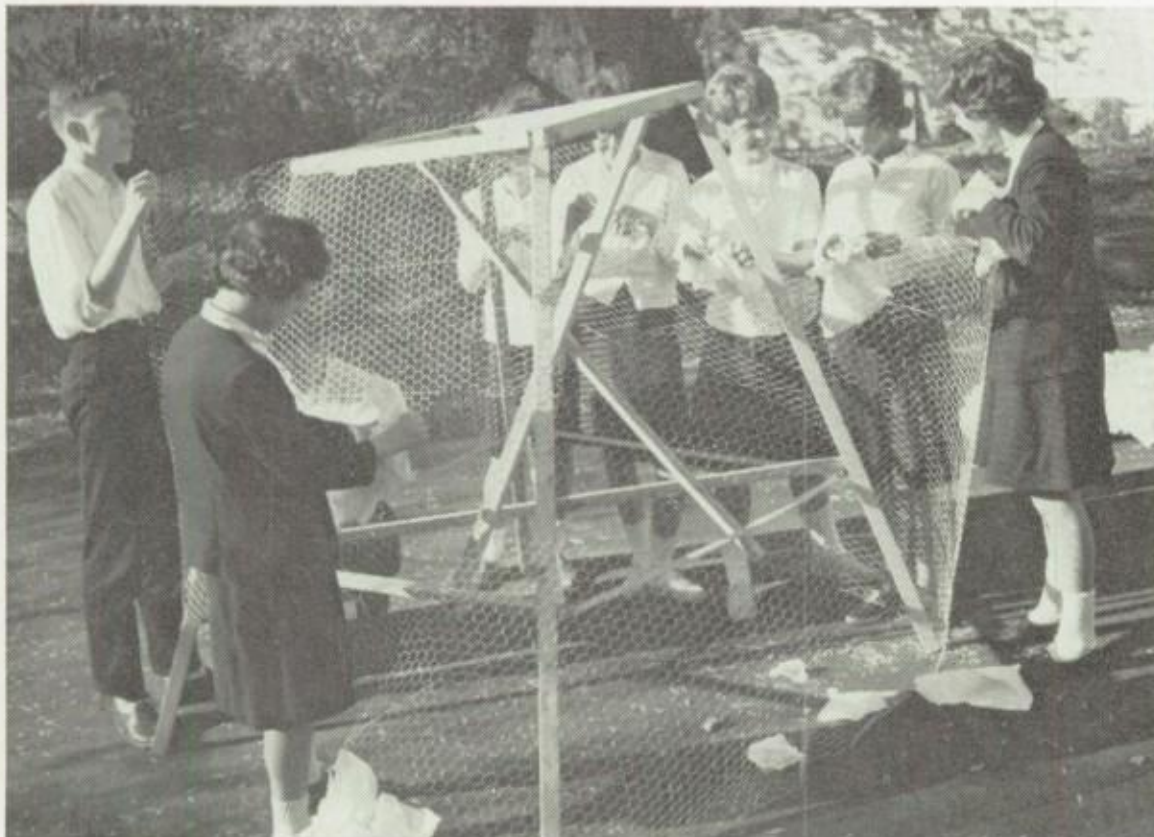

Pep Rallies have been an institution at I.C. Here are by-standers, passers-by and those who linger after dismissal of rallies. Posters announce games and teams very much in advance. How do they do it? Here are winners in Art Club Poster committee done by periodic winners.

Ellen Simonini, Carol Wilton, Betty Underdown, Mary Overton, Julie Frazee, Kay Scudder, Rosalier Breckler, Nancy Koch . . . are the Junior girls snagging someone's shelter to build their homecoming float.

Sophomores were never outdone for *any* length of time.

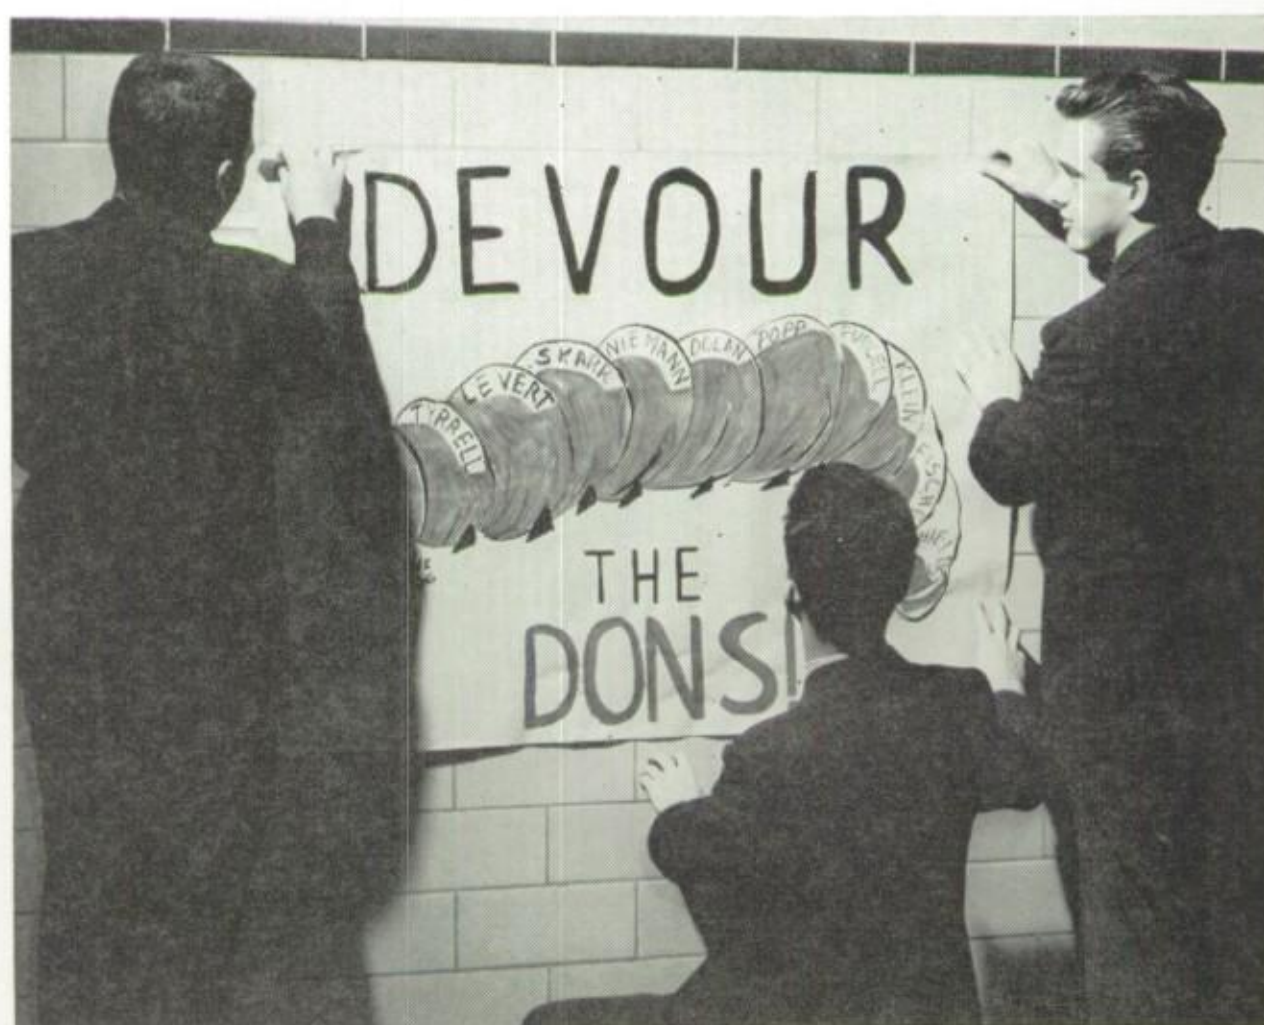

Art Club enjoying a private joke were caught by the camera as they decorate the halls with Christmas festivity. Mistrusting the ladder is Linda Parsons. Helping in the hilarity are Joanne Plotz, Nancy Thompson, Janet Reiffke, and Rosanne Rollinger.

## Art Club

Helping to keep the poster epidemic alive and thriving and full of spirit are Jim Cesario, Andy Wright and Mark Coseo checking on balance and proportion of a threatening announcement.

The girls responsible for much of the enthusiasm and spirit in the games and the teams are represented here by the officers of the Pep Club: Anne Phillips, Betty Underdown, Marilyn Cornille, Patricia Baer, and Nancy Laho with their moderator, Miss Patricia Ring.

Keeping the books and showing the results of commercial activities are the girls of the Commerce Club moderated by Sister Lois: Kathy Cross, Marge Covelli, Judy Wagner, Anita Rokosh, Mary Ellen Sandberg and Loreen Hess.

The '63 class play "The Happy Millionaire" was caught in costume but off guard much to the frustration of Laura Meger, class director of parts. Unaware of the situation are: Phil Harrington, Bernadette Naskrent, Ken Keller, Marian Wideman, Mary Ann Sforza, Joe Chiaro (that's *not* his hat) Bob Johnson, Bob Borger, Sharon Brown, Janet Corrigan, John Hill, Peter Schram, and Tom Kavanaugh.

## Senior Class Play

Bob Johnson runs out before Time according to the butler,

but revives enough to carry off the girl (literally).

With the kids happy and in uniform, with the daughter announcing to the brother she has made her marriage decision, things are now adjusted to so much happiness, Pete Schram as the millionaire can not resist a waltz with his wife Marian Wideman.

Joe Chiaro, who is NOT the happiest millionaire, merely another one, sleepily witnesses how the Philadelphia youngster Ken Keller announces he has "joined up." John Hill is the astounded butler.

How does he do it? Fitness. How does he maintain it? Gloves and agility. It happens here between the money-boys in Philadelphia: Pete and Joe.

What does he do for pastime? Among other things he keeps ALLIGATORS. Stagehands must have their little joke. Tickling the prop are Phylis Janik, Camille Musachio, Carol Stratton (in the mouth) Bob Dewsberry, Jim Hamilton, Jay Wilkins, Marilyn Cornille, (with the little one) Bob Downey and Roger Sieja.

That's THEIR fun but the company of the Philadelphian doesn't think too highly of beasts in the solarium.

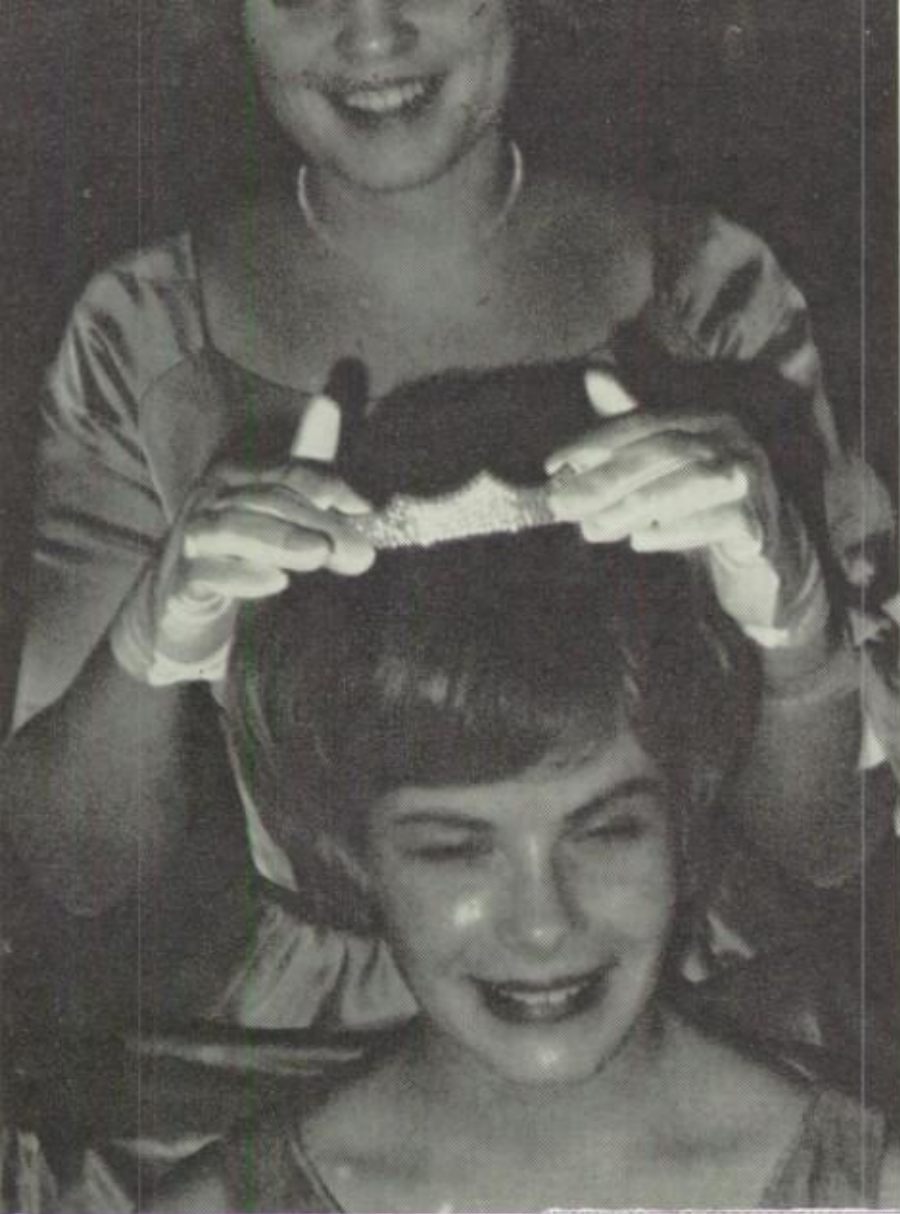

Miss Ida Rebek, spirited and lively directress of I.C. drama and Sister John Baptist relax after dress rehearsal as Miss Rebek recalls details for: Pete Schram, Sue Adams, Mary Ann Sforza, Judy Wagner, Maureen Bersell, Laura Meger, Ken Keller, Marian Wideman, Bob Borger (Miss Rebek) Bob Dewberry.

Work is serious and hours hurry by. This is a typical scene with hardworking cast responding (though tired) to Miss Rebek's directions. Casts were doubles for many parts. Mary Cay Debowski as the millionaire's "better half" takes over for the next evening.

Sharyl Kennedy '62 Homecoming Queen crowns the new '63 Miss Nora Laho.

Previous to this charming evening, Nora was enthusiastically leading off the snake dance . . .

. . . being crowned by co-captains Jim Cesario and John Loser like diamonds in the rain . . .

## Homecoming 1963

dancing to music and laughter and . . . .

being finally hailed as Queen for a Year. Marilyn Cornille agrees with the cheers from the crowd.

General assembly opening officially the Christmas holidays saw the spirit of the season carried through in the enactment of the Joyful mysteries of the rosary. The Nativity scene enacted here by Bob Exner, Claudia McCabe, Greg Norwood, Sue Bachman and Frank Landeen was the highlight of the program. Mary Hooke and Carla Merschman did the narrating against a background of choral groups.

The teen-age club consisting of teeners from various parishes and schools in the city enjoy a lighter moment during a business meeting preceding a social evening at Immaculate Conception parish center.

May Crowning, one of the highlights in the formal life at IC finds occasion for students to bestow the sign of their devotion to Mary, patroness of the school and favorite of their saints. Carol Sarek, Queen of the May, flanked by her attendants, and other members of the Sodality joins in the closing hymn.

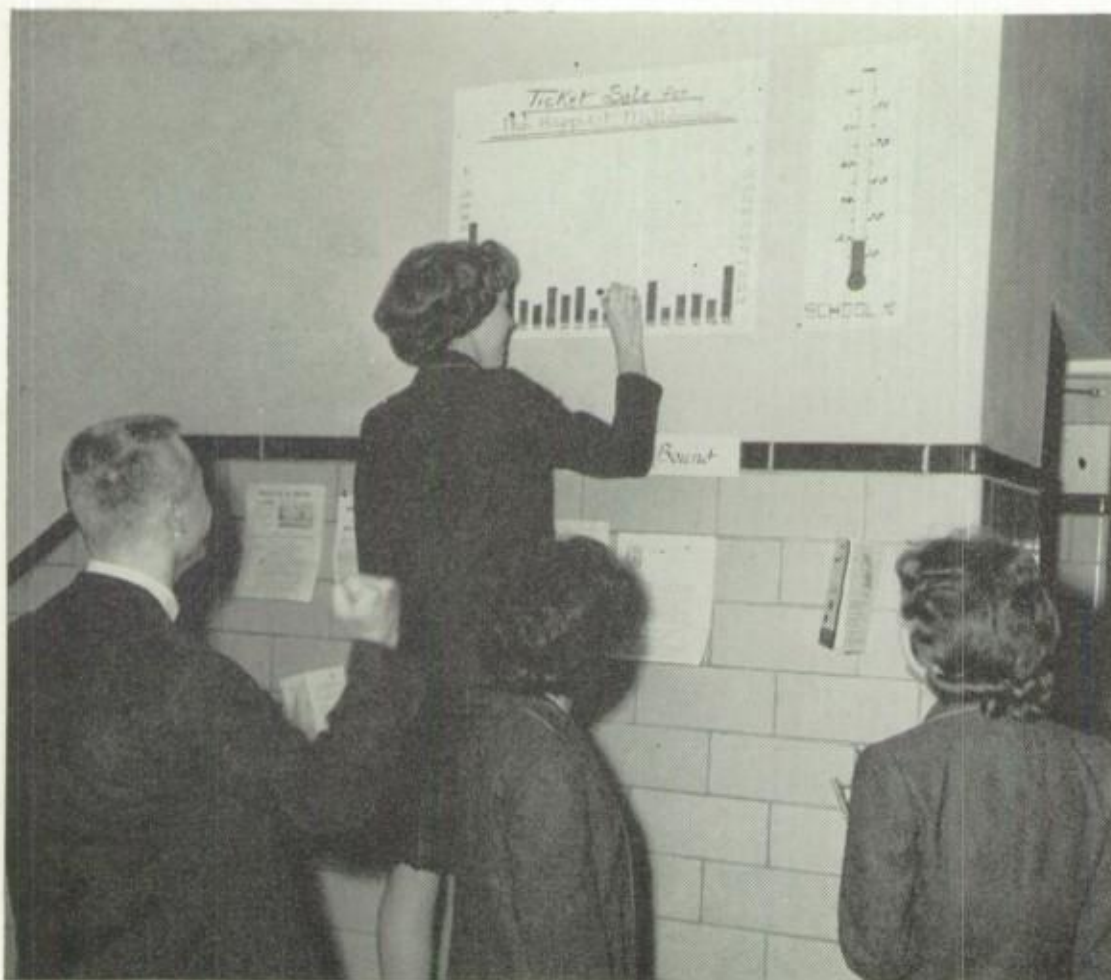

Announcing the mysteries of the rosary are senior members of the Sodality, Nic Ciaccio, Kent Freundt, Jim Chmill, Frank Daly and Bill Gontko.

Members of the student body forming places for the recitation of the living rosary . . .

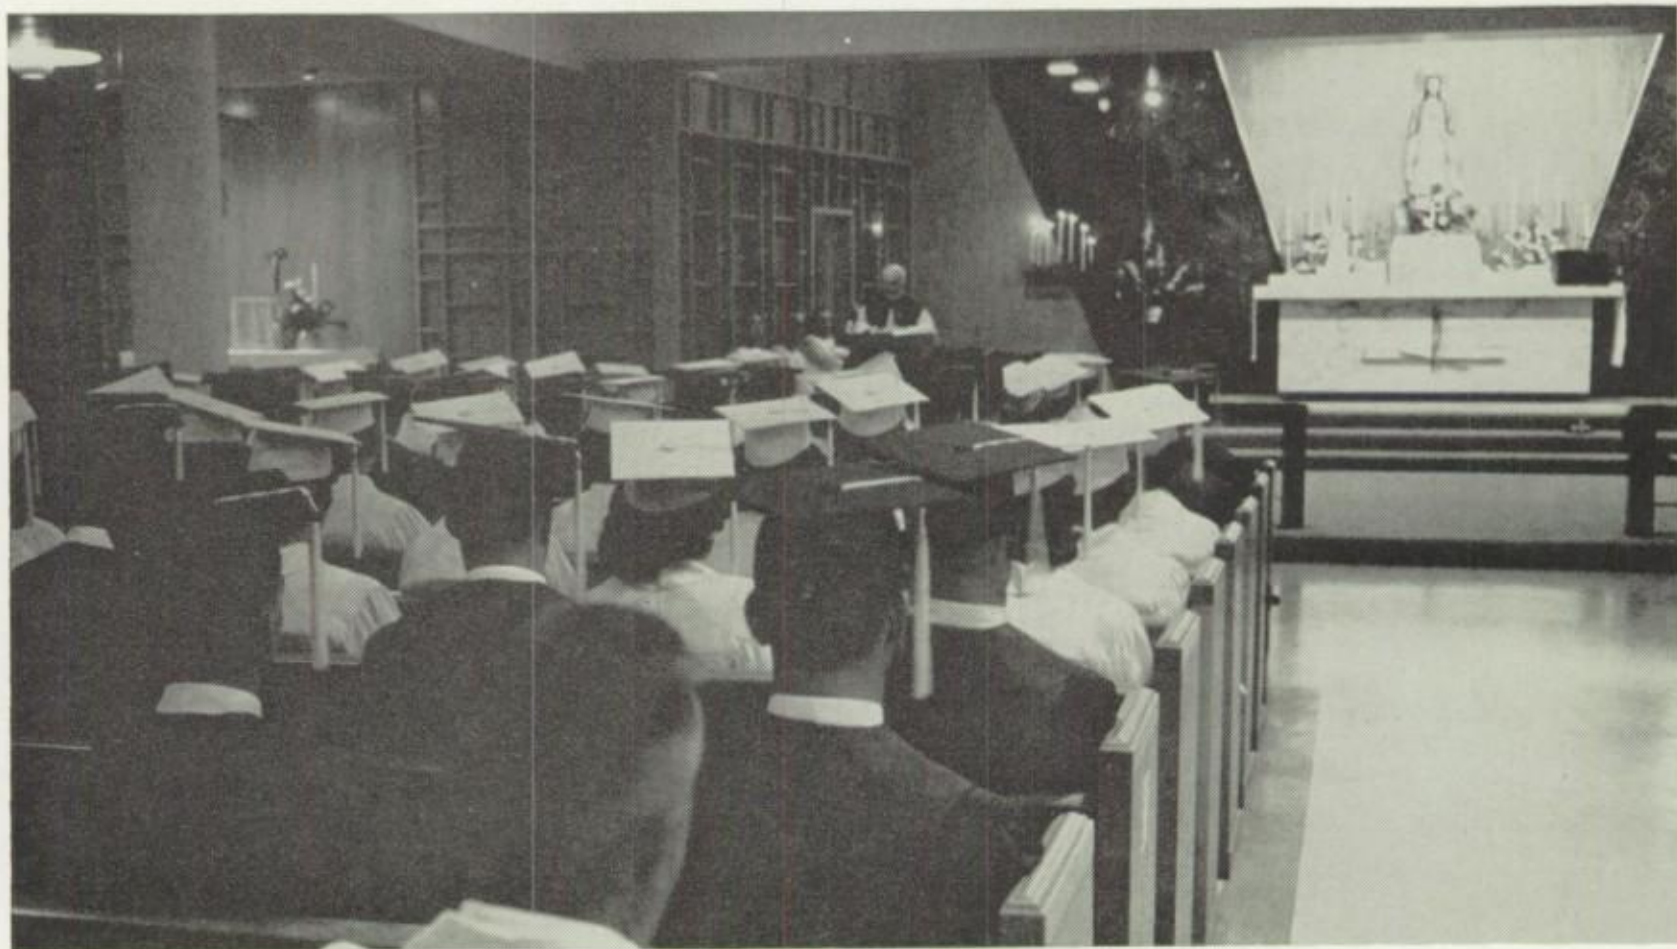

Roger Sieja sees his homeroom graph pointing to a lead in the class play ticket sale. Barbara Burgin adds the finishing touch for the day while two "hoppers" wish. The end of the sales found a ringer for the school with all senior homerooms oustripping the rest by 100+ percentage. 85%, suggested norm, fell with the "also-rans" and the Seniors carried off a wholesale victory for their own support of "The Happiest Millionaire."

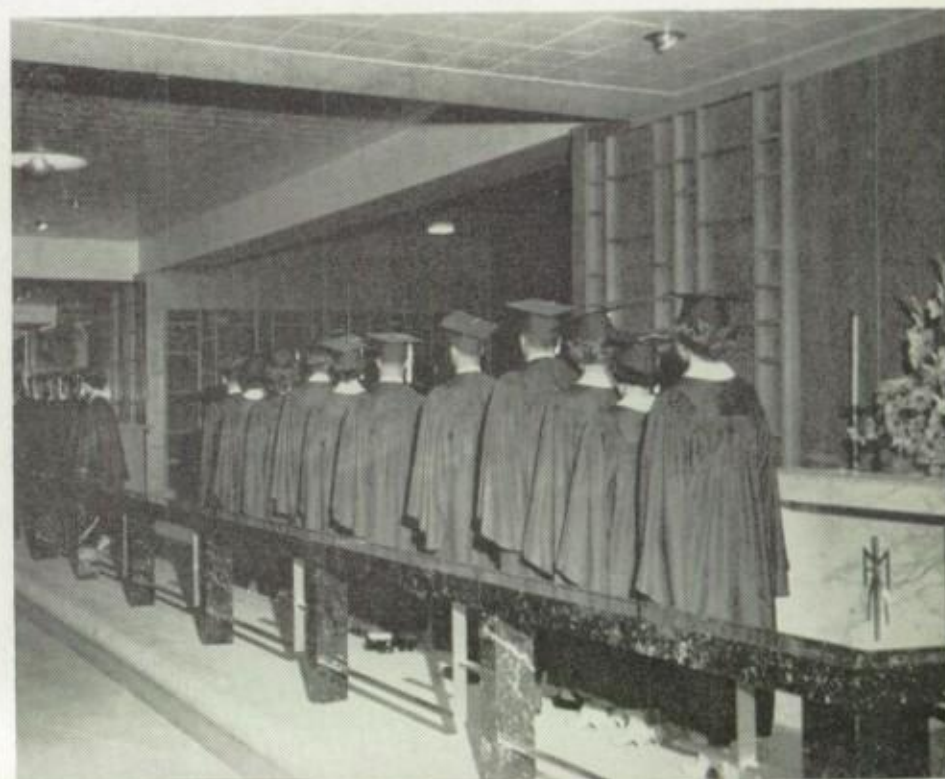

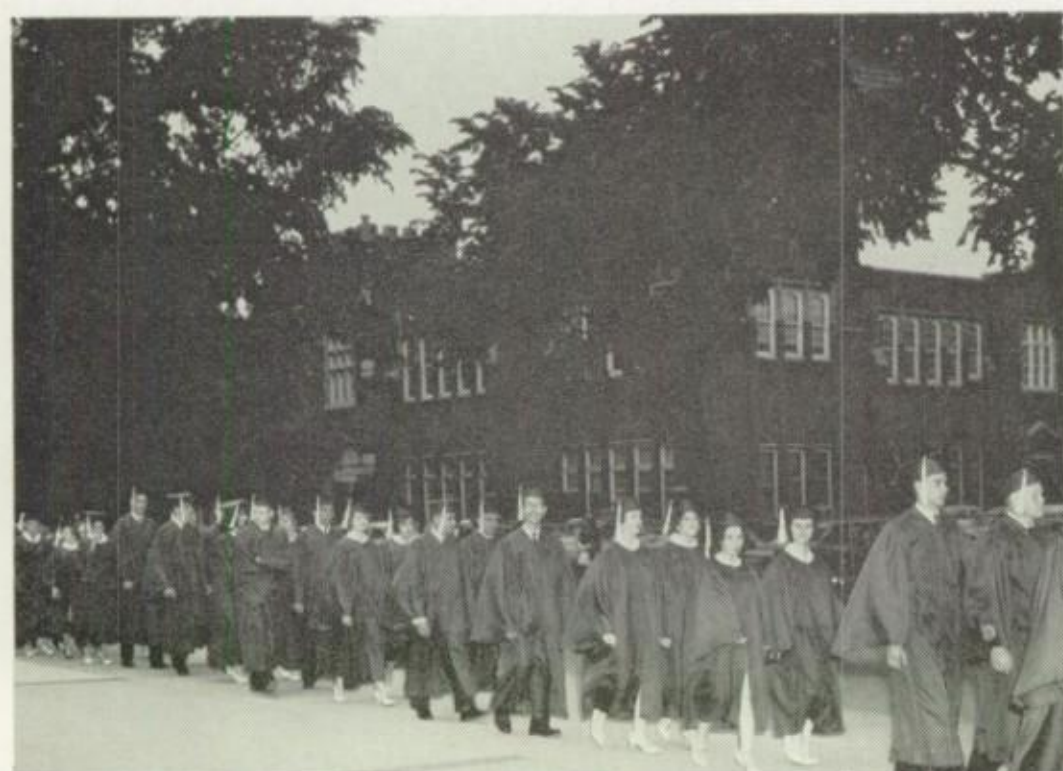

Another highlight for the Class '63 was their formal gathering at the Sherman House. Discussing the results of their Homecoming activities are Joe Nieman, Denise McMahon, Marilyn McDermott, Joe Hartman, Pam Lenane, Tom Kennedy, Tom Martin, Jean Diamond, Eloise Zambreno and Dick Hamilton.

. . . . and the closing event of the long course is the anticipated graduation . . . . Whether blue and white or blue and blue this is the last time for the class to enjoy an activity co-operatively. Sacred Heart Chapel witnesses the classes as they proceed to newer spheres and higher levels of education, business and good life. It is this that makes IC—it is these graduates who carry on the name of the school.

YEARBOOK  
STAFF

Press staffs hold hands, idle for the nonce, while breathing between layouts. Marian Wideman, Pam Lenane, Marge Kukla, Mary Sforza, Sue Adams, Bev Livorsi, Janet Niehaus, Mary Dragoun, Mary Hooke, Carla Merschman, Eloise Zambreno, Mary Ann Lukes.

## Meet the Press

Tony Wright, Mary Dragoun, Jerolyn Nentl, Don Gillette, Andy Wright, Bob Borger, Mary Sforza, Sue Adams, Marge Kukla, Claudia McCabe, Mary A. Lukes, Eloise Zambreno, Pat Babowice, Janet Niehaus, Sue Tourville, Juanita Walz, Karen Lindgren, Mary Jane Marolda.

NEWSPAPER  
MAGAZINE  
STAFF

Underclassmen on call for datelines and deadlines are: Sue Olson, Andy Wright, Jack Harron, Dave Dyer, Paul Hansen and Mary Just. Next year's *IC* will be in the hands of experienced "annexer's."

As to the future . . . the staffs may be you or you or you coming and going up these very stairs.

Mrs. Wagner

Mrs. Lawler and Mrs. Britz,

## Personnel

In the offices, in the halls, in the cafeteria, in the spots where help is needed all the time and any time, there are those who never fail.

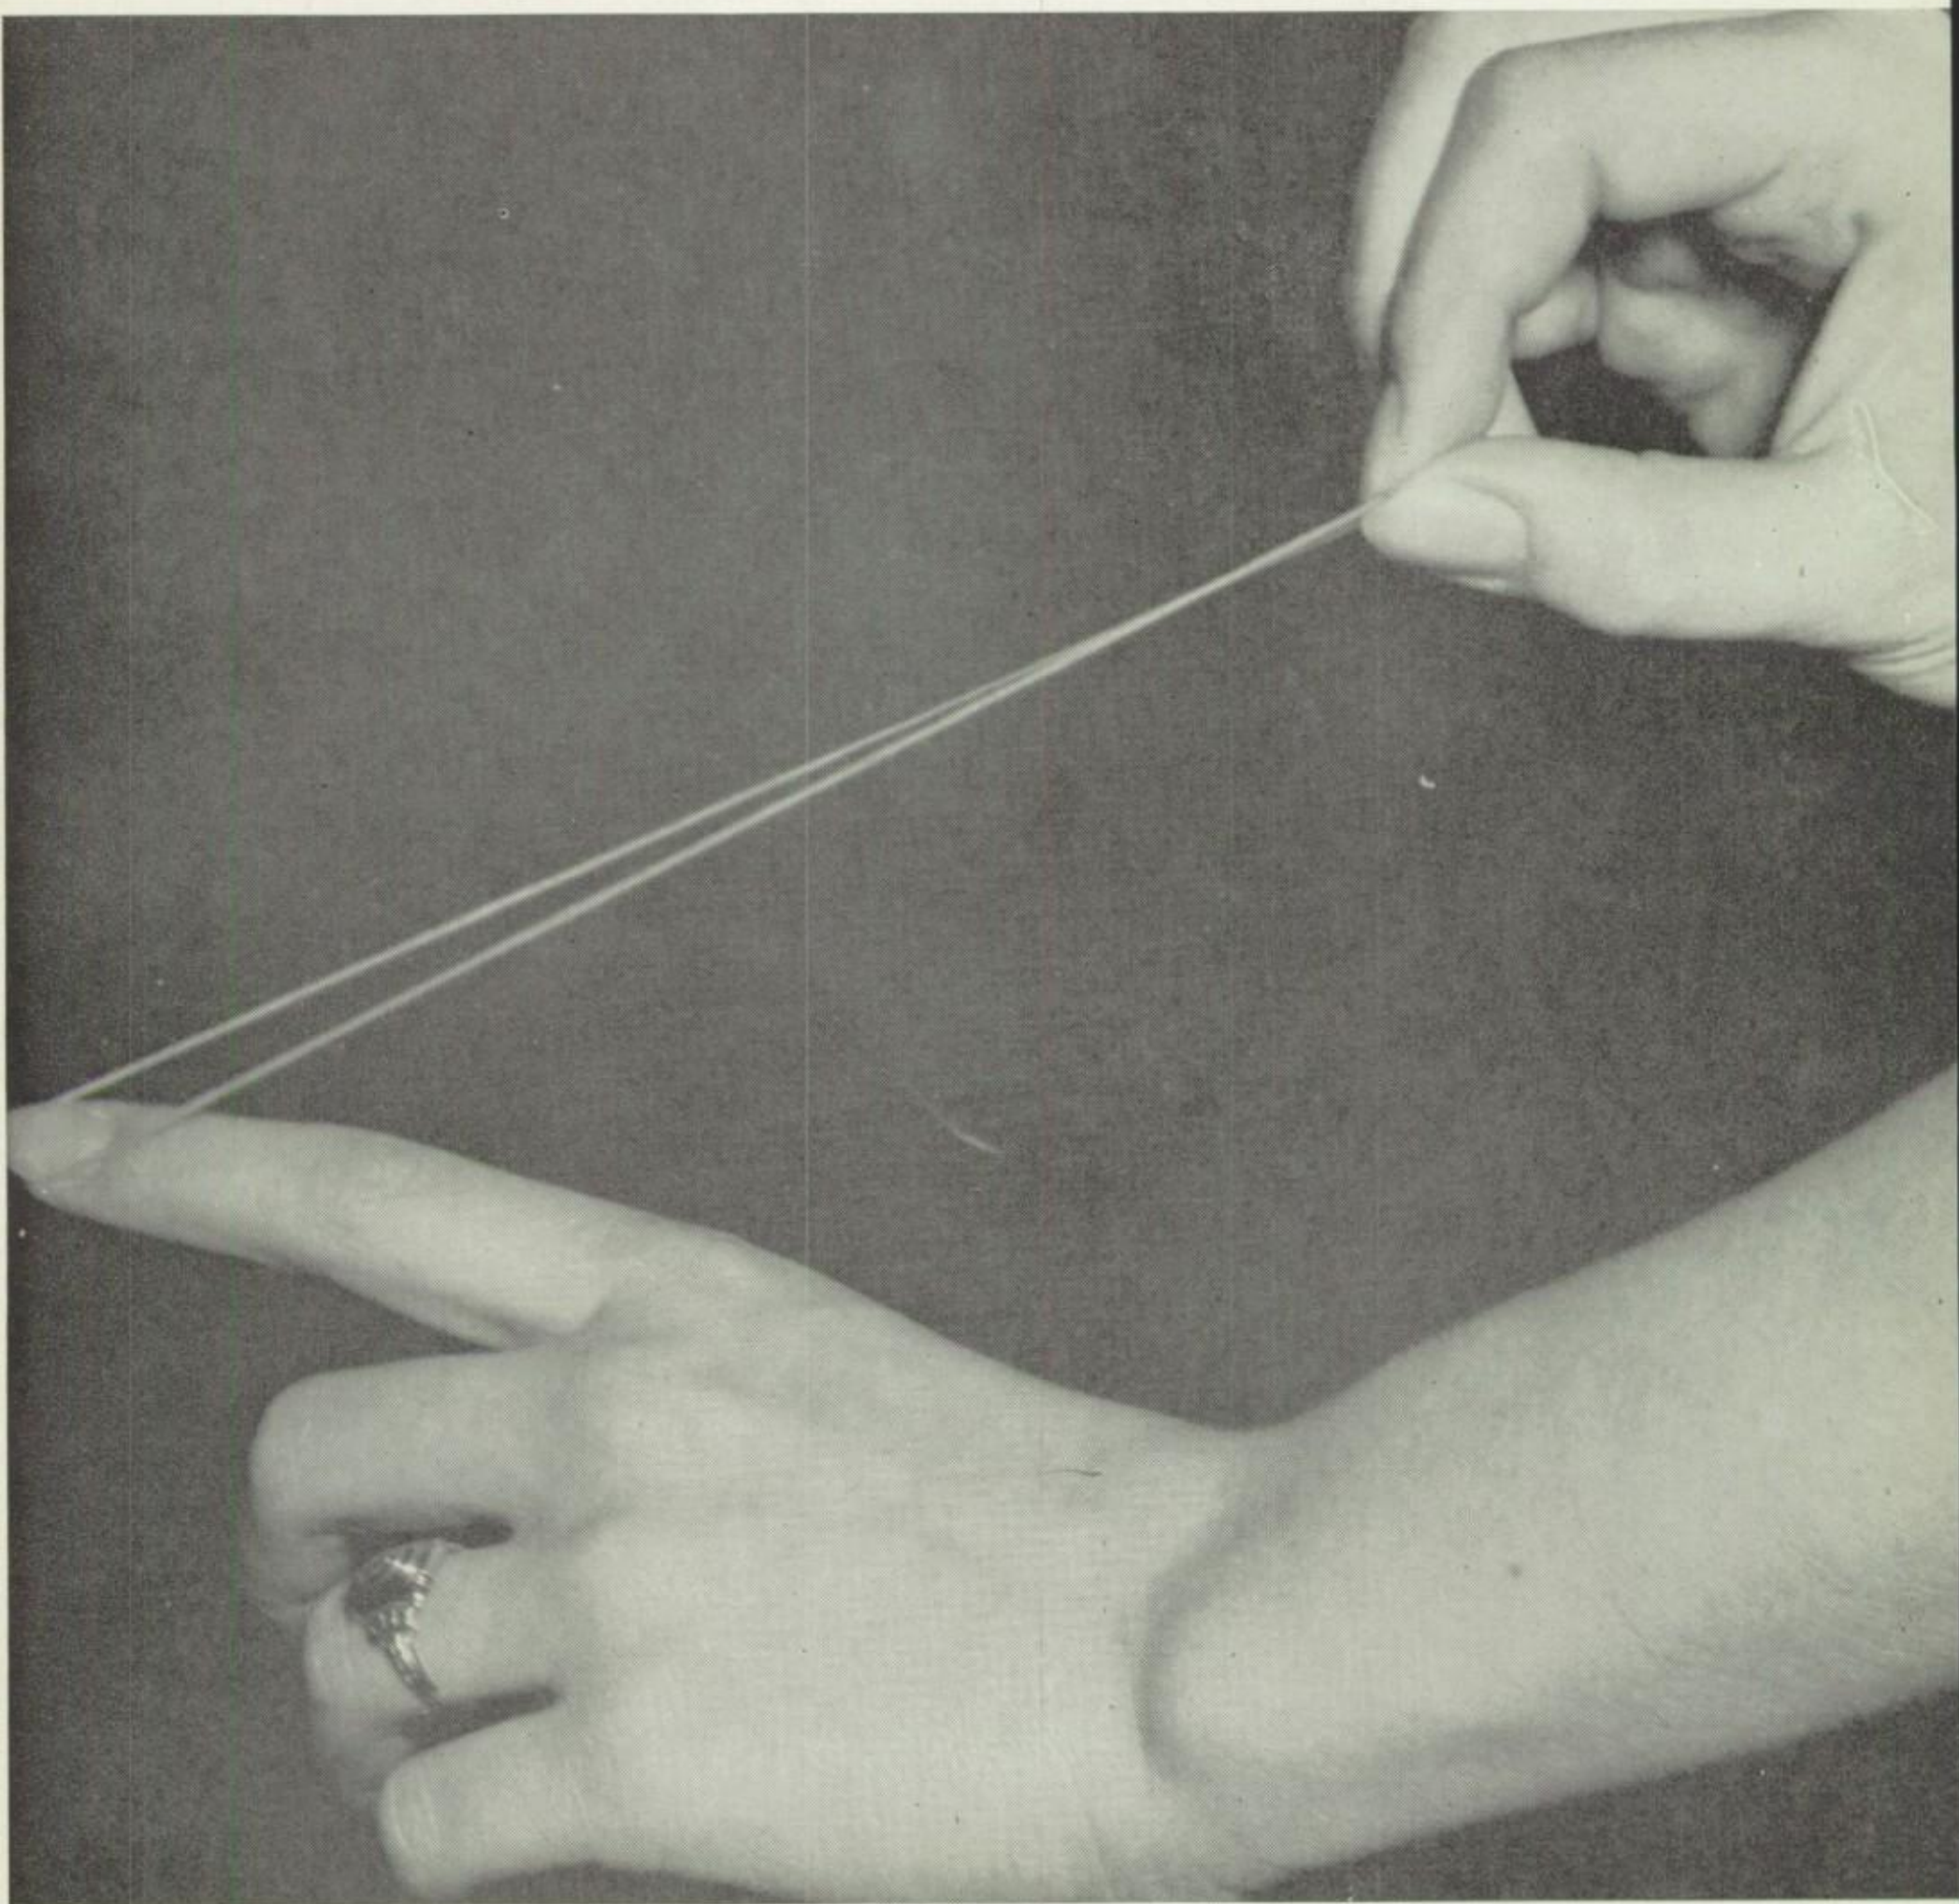

Our efficient, kindly cafeteria group.

Mr. Jim Costello.

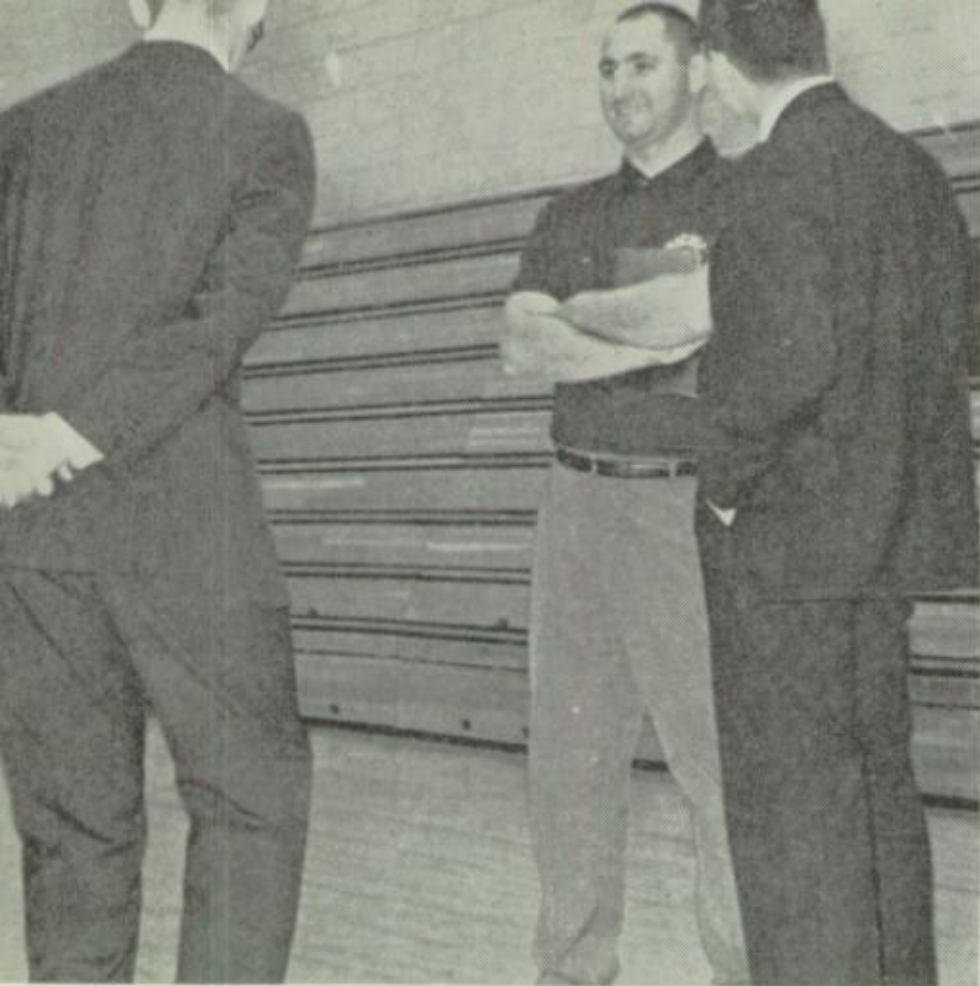

**CANDIDS**

Come to think of it, we *will* want to use it again.

No, no, that's not in the play!!!

Shall I help you till he comes?

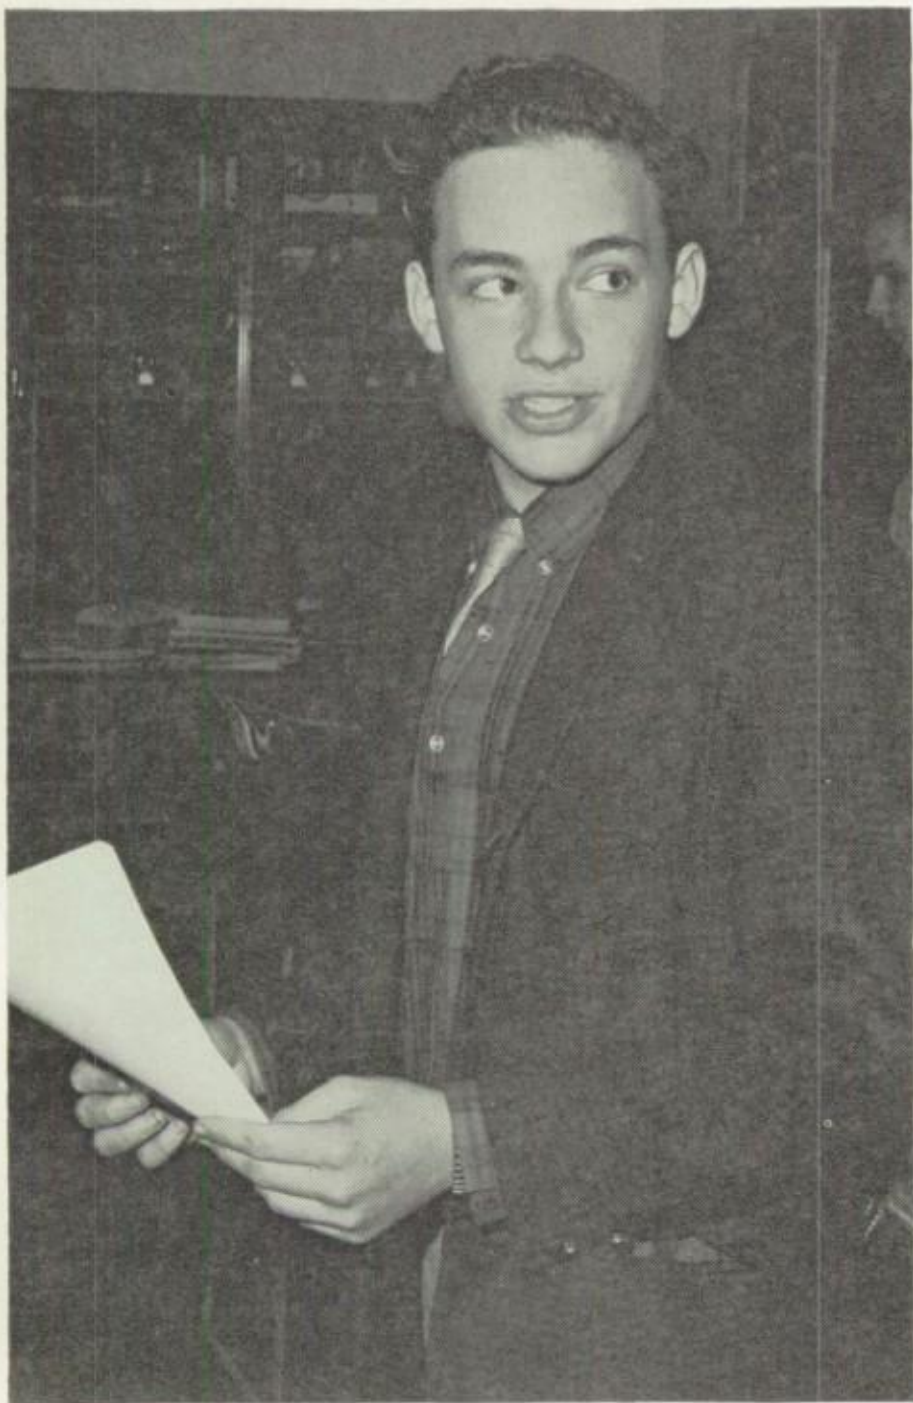

Friends, Romans, Countrymen, give us back our ears.

Watch it . . . . that man's here again.

Che-e-e-e-se

You can sing it at 3:00

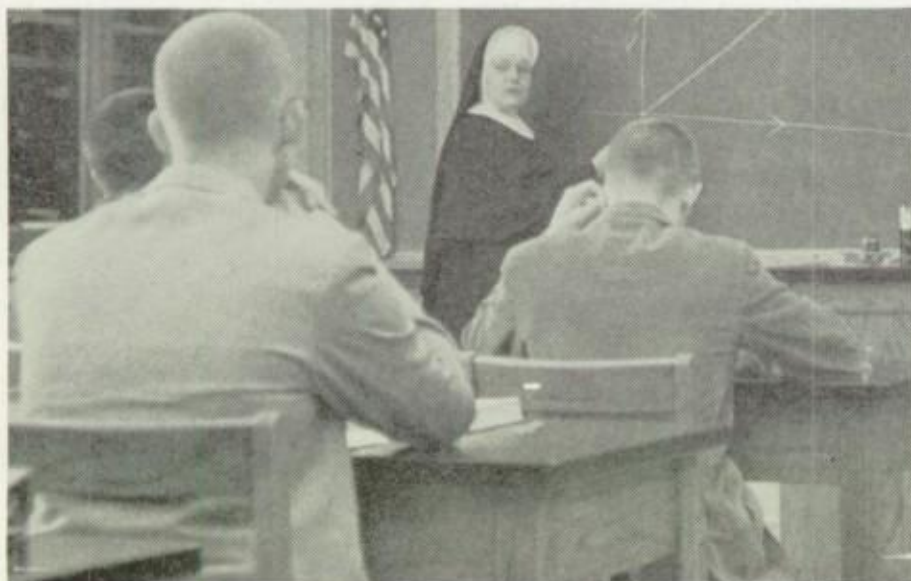

tenderloin just won't boin.

It's just that we believe in making history  
easy way.

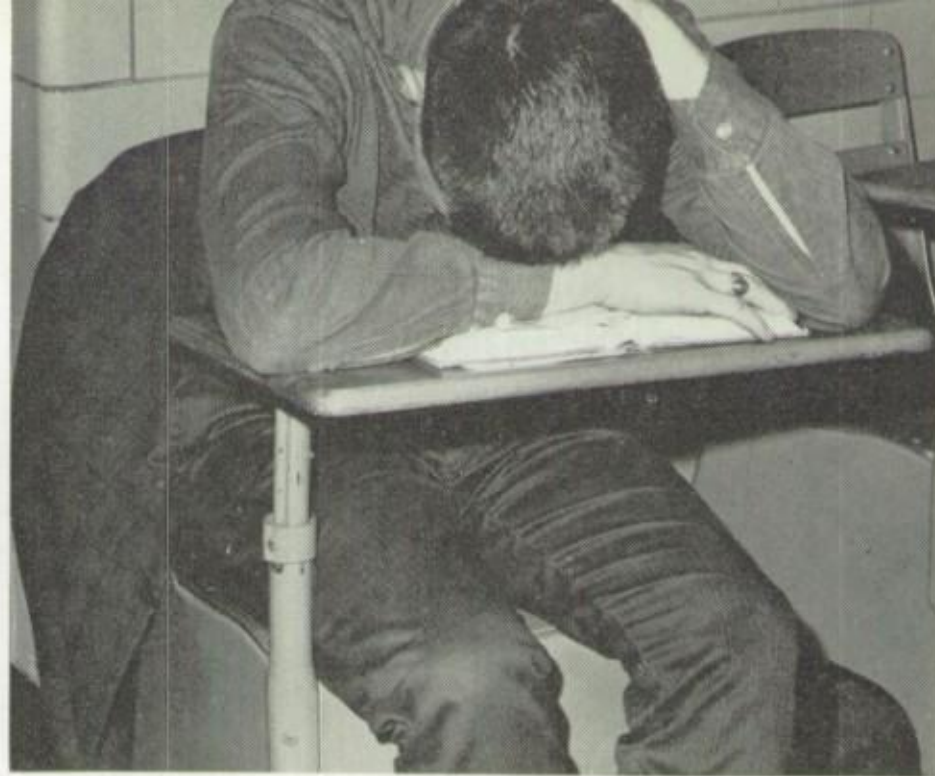

All I asked was how to spell 'physicist'.

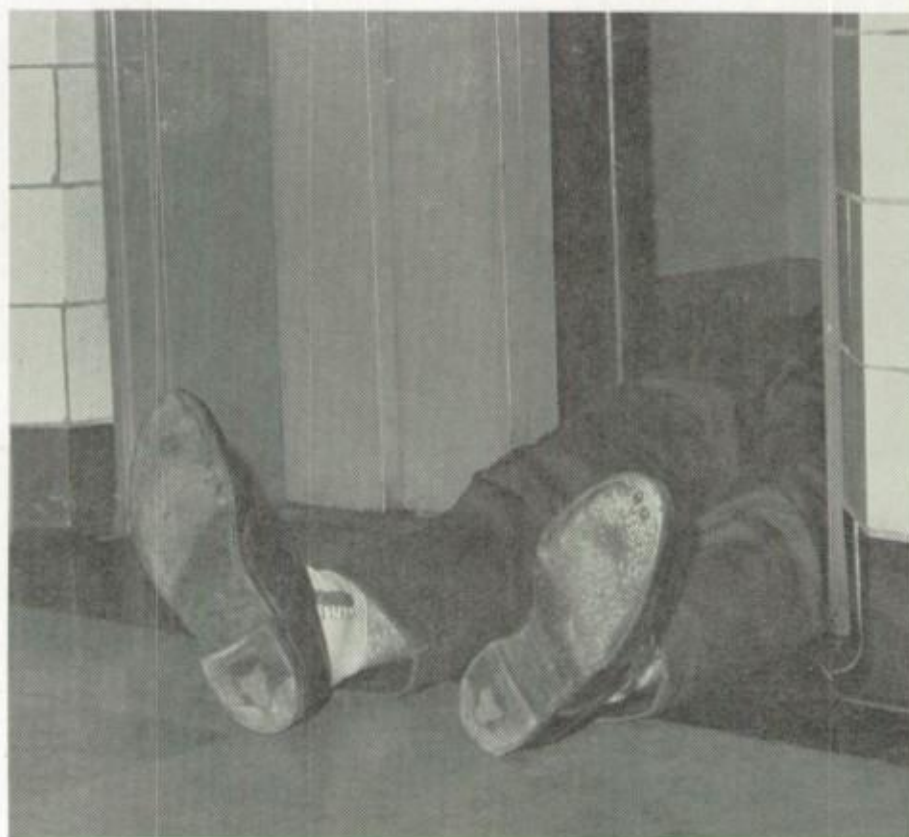

stop ad libbing will ya?

Dews doses

third floor: watch your step.

same to you

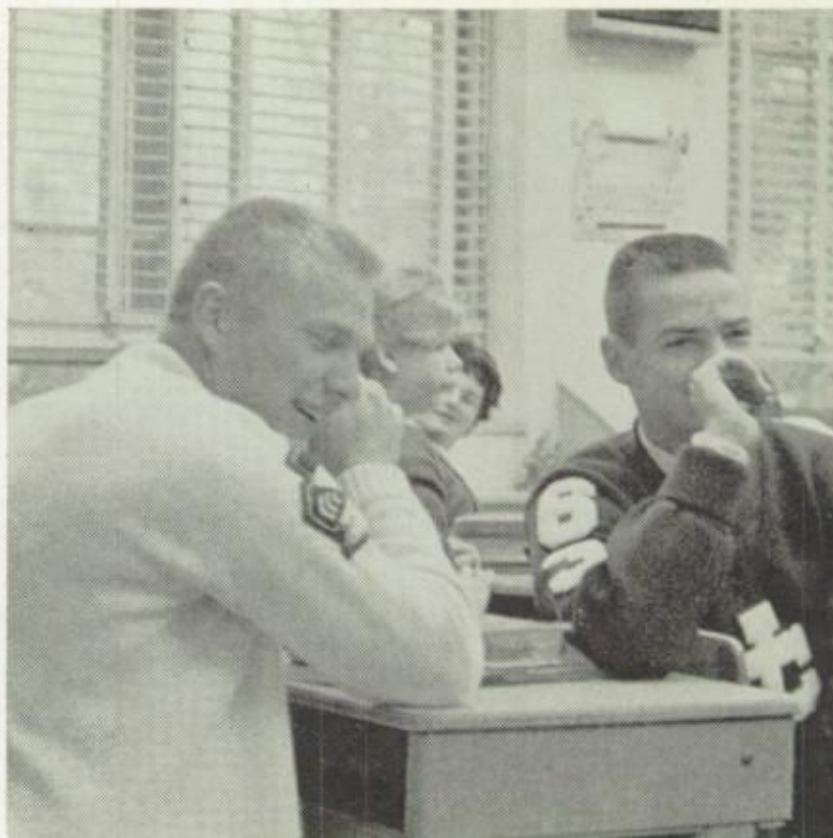

Never did like those empty bulletin boards.

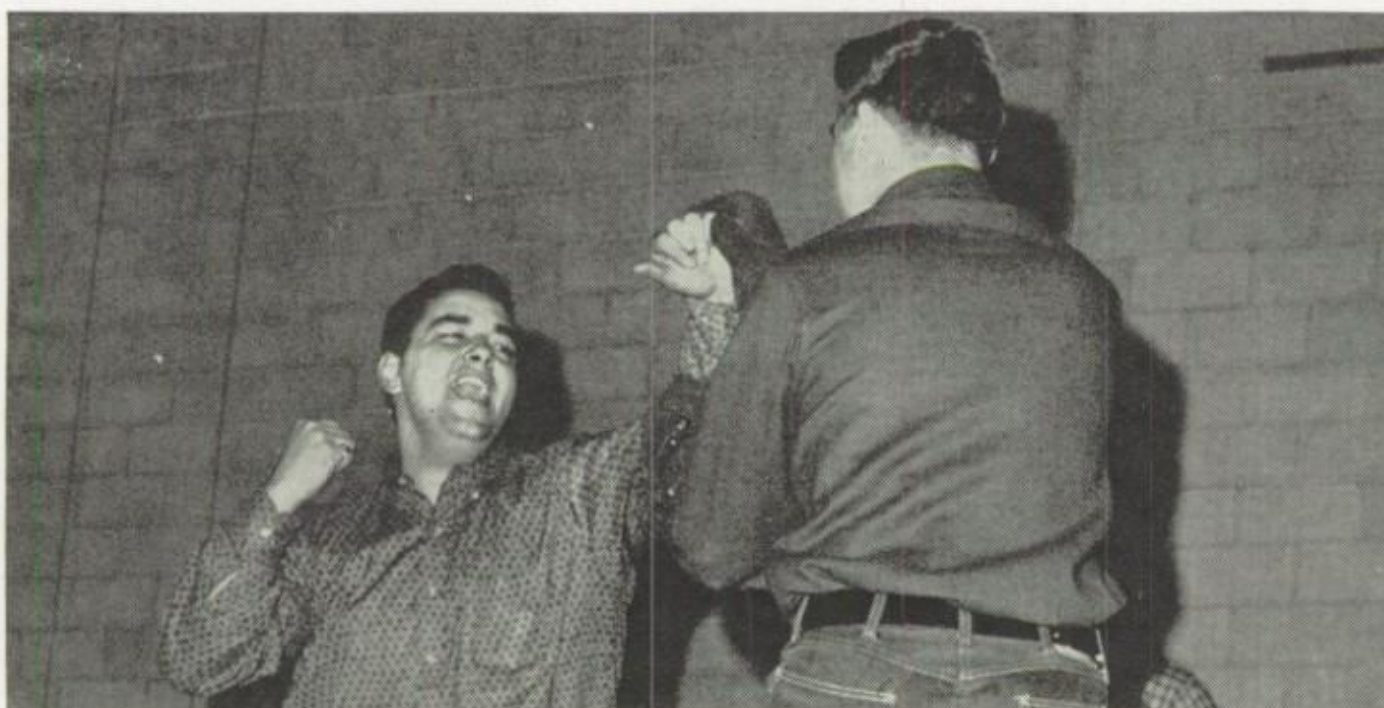

It still doesn't lock.

You GO for that mullarkey?

Gee, Willikins, keep your elbows on the Chair-o.

I can't remember those lines.

Be nice to have a desk now and then.
